EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

	Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1	Regular meetings of new teachers	Principal and Assistant Principals	Ongoing	
2	Partnering new teachers with veteran teachers	Principal and Assistant principals	Ongoing	
3	Participate in NEFEC job fair	Principal and Assistant Principal	June 2012	
4	Accept interns from local colleges	Principal and Assistant Principals	Ongoing	
5	Provide in-service support for Marzano, SFA, Power Teaching/Reading Edge, SREB, RtI/PBS	Principal and Assistant Principals	Ongoing	

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

ADDITIONAL REQUIREMENTS

Coordination and Integration

Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A

Improving the Academic Achievement of the Disadvantaged by Improving Basic Programs Operated by Local Educational Agencies. Title I, Part A programs are coordinated through the District Instructional Team (IT) and includes the above mentioned personnel and the Directors of Elementary, Secondary, Exceptional Student Education, and Federal Programs. This team meets (at a minimum) monthly and establishes and monitors program evaluation for all schools to ensure all entitlement programs' resources are available and fully implemented at each school site and that all funds are used effectively and efficiently as possible. Communication throughout the year is ongoing with the building level administrators regarding progress toward these goals and objectives as stated in the grants. Coordination of these services is done in the following ways: (1) Principal meetings are scheduled monthly; (2) Periodic and scheduled validity assessments are completed during the year by the IT; (3) Email dissemination regarding technical assistance papers and guidance are made available to the school sites; (4) Training meetings are held targeting goals and objectives set by each participating school. (5) Collaborative assistance is provided by several consultants hired to address specific deficiencies demonstrated by participating schools through the comprehensive district-wide assessments completed prior to and at the outset of the year; (6) Quarterly review of periodic assessment data will be completed with the results reported to each participating school for review and needed revisions in objectives or instructional strategies are addressed.

Title I, Part C- Migrant

In addition to the services provided by Title I, part A, the district uses Part C funds to Improve the Academic Achievement of the school's migratory children. Title I, Part C initiatives are coordinated by the district Instructional Team (IT) and includes the above mentioned personnel at the school site and the Coordinators for Elementary and Secondary education and Exceptional Student Education.

Title I, Part D

See Title I, Part A. In addition, Putnam County District Schools maintains collaborative and partner-like relationships with Family Medical and Dental Services and Putnam Health (Health services for students) to serve Homeless and Neglected and Delinquent students by providing health services. The District also partners with the Department of Juvenile Justice and Putnam County Sheriff's Department to target delinquent students and provide mentoring and counseling services that foster relationships and provide supplemental support services. Funds are also utilized to provide services at the district's Solutions Center (Alternative Center).

Title II

Preparing, Training, and Recruiting High Quality Teachers and Principals includes Part A, Teacher and Principal Training and Recruiting Fund and Part D, Enhancing Education Through Technology. Initiatives to improve the quality of instruction are directed by Local Educational Agencies. These programs are directed through the district's Curriculum and Instruction Team (IT) and includes the above mentioned personnel and the Directors of Staff Development, Elementary, Secondary, Exceptional Education, and Federal Programs.

Title III

The school coordinates language instruction for limited English proficient and immigrant students to improve their academic achievement. LEP and Immigrant education initiatives are supervised by the Putnam Department of Curriculum and Instruction. This team meets (at a minimum) monthly and establishes and monitors program evaluation for all schools to ensure that services are aligned to specific school needs and are efficiently funded without duplication.

Articulation is ongoing regarding progress toward these goals and objectives as stated in the grants.

Coordination of these services is done in the following ways:

- (1) Principal meetings are scheduled monthly;
- (2) Periodic and scheduled validity assessments are completed during the year by the IT;
- (3) Email dissemination regarding technical assistance papers and guidance are made available to the school sites;
- (4) Training meetings are held targeting goals and objectives set by each school.
- (5) Collaborative assistance is provided by several consultants hired to address specific deficiencies demonstrated by participating schools through the comprehensive district-wide assessments completed prior to and at the outset of the year;
- (6) Quarterly review of periodic assessment data will be completed with the results reported to each participating school for review and needed revisions in objectives or instructional strategies are addressed. At the school level, teachers and administrators can access LEP and Immigrant student's progress monitoring plan across multiple data sources.

Title X- Homeless

The McKinney-Vento Homeless Education Assistance Improvement Act provides additional services to our students classified as homeless.

Supplemental Academic Instruction (SAI)

None

Violence Prevention Programs

Positive Behavioral Support Program

Nutrition Programs

None

Housing Programs

None

Adult Education

G. E. D exit option is offered to students as a part of dropout prevention.

Career and Technical Education

Proposals are submitted annually to enhance selected Vocational programs for regular disadvantaged, and handicapped students.

Job Training

Students are offered opportunities to participate in OJT (On -the-job training) through Vocational and Exceptional Student Education departments.

Other

Title VI: Flexibility and Accountability includes Part B, Rural Education Initiative. These programs are administered by the the Director of Professional Development.

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (RtI)

School-based MTSS/RtI Team

Identify the school-based MTSS leadership team.

The School-based MTSS/RtI Leadership Team consists of: School administrator, CRT, guidance counselor, school psychologist, teachers of the particular students, and other personnel as appropriate such as staffing specialists (for students with (IEP's) behavior specialists, speech and language therapists and mental health counselors.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The MTSS Leadership Team will meet monthly to review individual student's intervention data. In order to comply with Federal Legislation (IDEA 2004) mandates as well as state regulations, the lead team decided to implement a standard protocol process for research-based academic interventions and a diagnostic-prescriptive process for research-based behavioral interventions. Teachers and MTSS/RtI tutors will be responsible for providing the intervention with fidelity and recording data. MTSS/RtI coaches/Curriculum Resource Teachers will monitor, coach, and assist with professional development and graphing data as needed. SWIS data will be utilized to monitor the need for behavioral interventions. On-going progress monitoring will be completed, graphed and analyzed at monthly follow-up school-based Solutions team meetings. At these meetings, a decision to discontinue T2 support, continue and/or modify T2 interventions or provide additional T3 support will be made. RtI is a regular education initiative. The RtI team will coordinate with the ESE department, parents, and all stakeholders.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The MTSS/RtI Leadership Team will work with the School Improvement Team to make sure that the RtI process is thoroughly integrated into the plan.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

- SFA Members Center- online web-based data center for reading (which includes SRI and STAR)
- District Interim Assessments for Reading & Math
- PMP via online DATA STAR system
- FAIR for Reading
- Skyward for tracking behavior patterns and trends
- Putnam Writes via online DATA STAR system

Describe the plan to train staff on MTSS.

Putnam County School District utilize federal funds to provide professional development for employees.

Describe the plan to support MTSS.

The Leadership Team will support teachers by providing "in-house" professional development as needed.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

The content area team is the SREB focus group- Kris Wykoff, Donna Johnson, Sarah Shepard, Chad Walker, Aaron Walker, Terri Channell, Paul Stegall, Ron Whitehurst, Mike Stevens, Ann Hamilton, Liz Middleton, Anne Kanouse, Clarissa DeBose, John Harkey, Donna Pilling, Doug Cooley, Mindy Phillips, Patty McCoy, Rodney Symonds, Ruth Amar, Tom Pilling, Willie Dale, Willie Irizarry

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The Literacy focus team meets once monthly for 1 hour; and consists of faculty and staff from subject areas across the curriculum to discuss curriculum needs, literacy strategies, and look at common assessments. The major initiatives: To master the cycle of effective instruction, to ensure 20/60/20 complexity, Discussion about text, and writing in response to text.

What will be the major initiatives of the LLT this year?

There are two initiatives: to ensure 20/60/20 complexity items in all subject areas; to have discussion about text and writing in response to text.

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

N/A

*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

Faculty gained professional development in Reading strategies through SFA to provide current Reading interventions through a common language across the curriculum. Teachers will meet weekly/monthly in PLC to collaborate and plan effective instruction.

*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

Vocational CAPE Academies integrated core curriculum into their vocational curriculum via projects and practice.

By Increased Rigor in core courses to better prepare students for Post-Secondary Readiness.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

District wide, all 8th and 9th grade students will take the Explore Test in the fall. The Explore test includes an extensive Career Interest Inventory which will be utilized for EPep planning and revisited annually.

Improvement in ACT, SAT, & CPT by increasing the level of rigor and expectation in core classes based on Post-Secondary Readiness assessment standards and the number of students enrolled in remedial courses at the college level.

Postsecondary Transition

Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#)

Progress monitoring of student Reading and Math skills in 9th and 10th with District Interim Assessments to ensure they are on track with skill mastery so a vertical increase in learning is on a continuum for 11th and 12th grade.

PART II: EXPECTED IMPROVEMENTS

Reading Goals

* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:

1a. FCAT2.0: Students scoring at Achievement Level 3 in reading. Reading Goal #1a:	By the end of the 2012-2013 school year students scoring level 3 or higher in Reading will increase by at least 2%.
2012 Current Level of Performance:	2013 Expected Level of Performance:
The percentage of students who scored a Level 3 in Reading is 24% (93 students) of the total testing population.	The expected level of performance for Reading by the end of the 2012-2013 school year is 2%increase .

We have three school wide goals: Implement discussion in all content areas; implement close reading in all content areas; implement writing to text in all content areas. We are using Content Matters by Stephanie Mcconachie as a book study for our PLC's.	9-12	Juliette Carter, Crt We also have 14 teachers signed up as PLC leaders for this school year. Each leader will present a particular component of disciplinary literacy.	All teachers in our school must attend at least two PLC's per month	Our PLC's are held every Monday. The topic is presented two separate Monday's to facilitate scheduling.	Most PLC's have follow-up reading or activities. A sign-in sheet is kept for all PLC's. Make up sessions are offered to individuals.	Juliette Carter monitors, along with the principal, Thomas Bolling
