FLORIDA DEPARTMENT OF EDUCATION

DRAFT School Improvement Plan (SIP) Form SIP-1

Proposed for 2012-2013

2012-2013 SCHOOL IMPROVEMENT PLAN

PART I: CURRENT SCHOOL STATUS

School Information

School Name: Nature Coast Middle School	District Name: Levy
Principal: Charles Bowe	Superintendent: Robert Hastings
SAC Chair: Michael Bell	Date of School Board Approval:

Student Achievement Data and Reference Materials:

The following links will open in a separate browser window.

School Grades Trend Data (Use this data to complete Sections 1-4 of the reading and mathematics goals and Sections 1 and 2 of the writing and science goals.)

Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data (Use this data to inform the problem-solving process when writing goals.)

High School Feedback Report

K-12 Comprehensive Research Based Reading Plan

Administrators

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of School Grades, FCAT/statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/statewide assessment Achievement Levels, learning gains, lowest 25%), and AMO progress, along with the associated school year)
Principal	Charles Bowe	BA – Ministry	0	5	Administrator at a private school. FCAT not used.
Assistant Principal	Camille Caudill	BS – Elementary Education Middle Grades Integrated	6	0	

Instructional Coaches

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of School Grades, FCAT/statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and ambitious but achievable annual measurable objective (AMO) progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject Area	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
			A		

Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

De	scription of Strategy	Person Responsible	Projected Completion Date	
1.	Recruit highly qualified candidates by posting vacancies in local newspapers as well as online, on teachers-teachers.com	Charles Bowe	8/13/2012	
2.	Screen applicants through an initial application that asks candidates to describe their qualifications, teaching strategies, classroom management approaches, and educational philosophy.	Charles Bowe	8/13/2012	
3.	Whenever possible, invite teaching candidates to teach a lesson to a group of our students. Observe communication skills, teaching strategies, and management techniques.	Charles Bowe & Patricia Butler	6/30/2012	
4.	Provide a supportive teaching environment through onsite training and monitoring, and collaborative teaching strategies.	Patricia Butler	6/30/2013	

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who are NOT highly effective.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of staff and paraprofessional that are teaching out-of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Total Number of Instructional Staff	% of First- Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers
6	0	33% (2)	17% (1)	50% (3)	17% (1)	83% (5)	33% (2)	0	17% (1)

Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
PatriciaKnecht	Sonya Schmidt	Mrs. Knecht and Mrs. Schmidt are the two sixth grade team teachers.	 Monthly meeting to review classroom procedures, discipline issues, and instructional strategies. Classroom observations by mentor and mentee.

June 2012

Rule 6A-1.099811

Revised April 29, 2011

Additional Requirements

Coordination and Integration-Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A
Funds are used to pay paraprofessionals who offer additional support within the regular classroom to students in need of remediation.
Funds are also used to purchase materials for parent involvement events and professional development & teacher training.
Title I, Part C- Migrant
Title I, Part D
Title II
Title III
Title X- Homeless
NCMS Staff work with the district coordinator to provide services to eligible students and their families.
Supplemental Academic Instruction (SAI)
Violence Prevention Programs
Students at risk are provided with additional support/counseling from the principal to identify risk behaviors (bullying behaviors, physical/relational aggression) and make more
constructive choices.
Nutrition Programs
Teachers integrate nutrition education into their regular curriculum to provide all students with information and resources to make good nutritional choices.
Housing Programs
Head Start
Adult Education
Career and Technical Education
Job Training
Other

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

Identify the school-based MTSS leadership team.

The school-based leadership team consists of the following members:

- School Director: Ensure that the school-based team is implementing RtI. Ensure implementation of intervention support and documentation. Facilitate professional development to support RtI implementation. Facilitate parental communication regarding RtI activities and plans.
- Assistant Principal/Curriculum Coach: Works with staff to identify appropriate research-based intervention strategies.
- RtI Program Assistant: Identifies patterns of student need. Assists in design and implementation for progress monitoring, data collection, and data analysis. Participates in the design and delivery of professional development, and provide support for assessment and implementation monitoring. Delivers tier 2 instruction in small groups under the supervision of a certified teacher.
- ESE Teacher: Delivers tier 3 interventions.
- General Education Teachers: Participates in student data collection. Delivers tier 1 instruction/intervention, and tier 2 instruction in small groups. Collaborates with other staff to provide appropriate tier 2 instruction. Integrates tier 1 instruction with tiers 2/3 instruction/activities.

Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The team meets in groups focused on reading and math intervention separately. Each group meets alternately, every other week, with the school director and the ESE Coordinator. General education teachers will submit tier 1 and tier 2 data for students. The ESE Teacher will submit data for tier 3 students. Specific student goals and progress, along with appropriate professional development will be addressed.

Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP?

The RtI Leadership Team assists with the development of the school improvement plan and implements the RtI Problem Solving Process as follows:

- Step One Problem Identification:
 The RtI Leadership Team analyzes FCAT and progress monitoring data to determine trends and areas of concern for subgroups of upcoming students.
- Step Two Problem Analysis:
 The RtI Leadership Team reviews data, curriculum, and student needs to analyze and identify the contributing factors in each area of need.
- Step Three Intervention Design:
 The RtI Leadership Team collaborates to design interventions based on areas of concern.
- Step Four Response to Intervention:
 The RtI Leadership Team uses progress monitoring data to evaluate the effectiveness of the intervention. Progress monitoring data will be analyzed every ten days and comprehensively after each quarterly progress monitoring assessment.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

- Reading data sources: Classroom grades (curriculum-based tests), quarterly progress monitoring scores, intervention class grades, Read Naturally, Successmaker.
- Writing data sources: Classroom grades (curriculum-based tests), the Write Score tests.
- Math data sources: Classroom grades (curriculum-based tests), quarterly progress monitoring scores, intervention class grades, Successmaker, another series chosen by the math teachers.
- Science data sources: Classroom grades (curriculum-based tests), quarterly progress monitoring scores, intervention class grades, FOCUS, another series chosen by the science teachers.
- Behavior: Referral records, NCMS "cash points" (reward/behavior tracking system), attendance records.

Describe the plan to train staff on MTSS.

The RtI Program Assistant will attend district and online trainings as necessary to learn about the RtI process and implementation. Within a timely manner, all staff will be provided with training by the school RtI Program Assistant in regards to the RtI process and data collection requirements. Ongoing training will be provided throughout the year in response to teacher concerns at RtI leadership meetings.

Describe the plan to support MTSS.

The RtI Leadership Team will meet on a quarterly basis to evaluate the RtI process, data collection, teacher training, and teacher concerns.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

The Literacy Leadership Team will be Charles Bowe, director; ESE Teacher; RtI Program Assistant; and teachers, Camille Caudill, Patricia Knecht, and Teresa Darnold.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT meets concurrently with the Reading Intervention (RtI Team) at least once each quarter. The goal is to analyze student progress toward meeting reading goals in both the intervention and regular classes; review curriculum; and provide resources to support literacy instruction for all students in all subject areas.

What will be the major initiatives of the LLT this year?

- 1. Implement a "Literacy Circle" model of additional reading instruction for all students.
- 2. Increase the amount and quality of reading done by students throughout the school day by providing access to high quality reading materials in every class.
- 3. Implement school-wide reading celebrations and positive support for literacy circles (student rewards for independent reading, reinforcement activities upon completion of a novel, etc.)

Public School Choice

• Supplemental Educational Services (SES) Notification
Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

*Grades 6-12 Only Sec. 1003.413 (2)(b) F.S

For schools with grades 6-12, how does the school ensure that every teacher contributes to the reading improvement of every student?

Professional Development: All teachers at our school will be encouraged to pursue their reading endorsement. NCMS will provide funds for courses and assistance (duty-free time) for teachers who are working toward this goal. Teachers who already have their reading endorsement will share strategies with the rest of the staff on a quarterly basis to better implement cross-curricular strategies for reading.

Implementation: Teachers of content areas will be assigned reading objectives to include as a part of their curriculum mapping, with a focus on the essential components of vocabulary development, reading comprehension strategies, and reading fluency. Social studies will include novel studies and science classes will include current events to provide students with opportunities to become proficient in these skills.

The school director will oversee this plan to ensure that reading strategies are the responsibility of every teacher at NCMS.

*High Schools Only

Note: Required for High School-Sec. 1003.413(2)(g), (2)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Postsecondary Transition

Note: Required for High School- Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report.

PART II: EXPECTED IMPROVEMENTS

Reading Goals

* When using percentages, include the number of students the percentage represents (e.g., 70% [35]).

Readi	ing Goals	Problem-Solving Process to Increase Student Achievement						
Based on the analysis of reference to "Guiding Q	student achievement data and uestions," identify and define ement for the following group:	Anticipated Barrier	Strategy	Person or Position Responsible for Monitoring	Process Used to Determine Effectiveness of Strategy	Evaluation Tool

School Advisory Council (SAC)

SAC Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting *Yes* or *No* below.

⊠ Yes	☐ No		
If No, describe the m	neasures being t	aken to comply with SAC requirements.	

Describe the activities of the SAC for the upcoming school year.

The School Advisory Council will meet monthly to collaborate and participate in school-wide decision making in the following areas:

- Develop and implement SAC bylaws
- Provide support for the school-wide PBS program through fundraising
- Collaborate and provide feedback for the SIP, the Parent Involvement Plan, and the Learning Compacts

All SAC members will have the following responsibilities:

- Make decisions by consensus for the good of the entire school, when addressing school-wide issues
- Assist in the preparation and evaluation of the School Improvement Plan
- Perform functions as prescribed by regulations

- Allocate time for parent-community issues
- Provide support, through donations of time, funds, or supplies, for special school-wide activities
- Nominate prospective members of SAC

Parents, who are members of SAC, will have the following responsibilities:

- Provide feedback
- Consistently attend meetings
- Volunteer in school or where necessary
- Participate and support school-wide goals and activities

SAC Officers will have the following responsibilities:

- Provide feedback
- Consistently attend meetings
- Volunteer in school or where necessary
- Schedule meetings, send invitations, and chair the meetings
- Attend parent orientations to introduce and invite others to attend SAC
- Be knowledgeable about SAC requirements and bylaws

Describe the projected use of SAC funds.	Amount
Support for the school-wide Positive Behavior Support rewards program	\$500.00
