School-based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Administrators - Nina Wehmeyer, Norma Evans-O'Connor
RtI Coach - Keith Anakotta
Reading Coach - Reagan Hall
School Psychologist - Carolyn Chalifoux
Teachers - Richard Marshall, Cheryl Anderson, Tiffany Procter

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

Once the student has been identified as in need of RI:

1. The Informal Notice of Screening/Notification of Intervention Assistance Team Involvement is sent to parents and a copy to Student Services.
2. Vision and hearing screenings are conducted after notice is given to parent.
3. Teachers complete a page one of the Intervention Summary sheet.
4. All above is sent to parents, including the parent letter requesting the concurrent evaluation.
5. Consent for evaluation is provided.
6. The psychologist will have 60 days to complete the evaluation and report.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The RtI Team provides input regarding interventions, strategies and support needed for students.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

The district has a checklist for documentation of General Education Intervention Procedures as well as a form for this plan. The team meets regularly to discuss the progress of each student and makes recommendations to appropriate teachers and staff.

Describe the plan to train staff on MTSS.

The RtI Coach, the Psychologist and/or Administration will do a presentation to discuss the RtI process so that teachers are aware of their part in the plan as well as participation in meetings to develop an effective and useful plan for the student.
