ADMINISTRATORS

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO Progress along with the associated school year)
Principal	Dr. Cynthia M. Janssen	PhD Education and Leadership	5	31	According to statute, the Superintendent has the authority to strategically place administrators within the school district.
Assis Principal	Kelley C. Costin	MA Education and Leadership	4.5	12	According to statute, the Superintendent has the authority to strategically place administrators within the school district.

INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

	Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1	Strategies are dictated by the District.	CCPS District personnel		

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of staff and paraprofessional that are teaching out-of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective
All instructional personnel are highly effective	

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers

Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
Mary Gust	Hillary Newman	Veteran Highly Qualified CCPS Teacher	Meet at least twice weekly. Topics: CCPS District policies and procedures, Alternative Schools policies and procedures, Beacon High School policies and procedures, EdOptions and Angel as curriculum tools, literacy strategies to be used with level 1 & 2 readers, writing in support or the superintendent's initiative, assessments, data driven instruction, CTEM as teacher evaluation, and any other topics as needed. Scheduled meetings are weekly and documented for the district.

ADDITIONAL REQUIREMENTS

Coordination and Integration

Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (RtI)

School-based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Principal, Assistant Principal, Dean, Intervention Support Specialist, Lead Teachers, Reading Coach

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

Leadership Team oversees the PLC and utilizes the problem solving approach to ensure that instruction and interventions for students are based on student performance data. PLC meets twice a month to discuss student data and adjust instruction according to individual student needs. Students needing additional intervention receive immediate intensive intervention at the point of need.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The Leadership Team utilizes the problem solving approach to develop the school improvement plan. Status of implementation is reviewed by the PLC and the Alternative Schools SAC.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

The PLC examines common core standards to be taught, shares best practices, implements the pre-assessments in the core areas, aligns the common core standards to the curricular and students' needs, engages in building common formative assessments and reviews data. As a result, teachers have strengthened their core teaching and have established that 80% of students will make gain. Re-teaching occurs as needed for Tier 1 students. The district Data Warehouse provides a means to record the minutes from PLC meetings as well as to follow the progress of groups and individual students. As students fail to meet with success in Tier 1, students are provided with Tier 2 strategies and PMPs are developed. The Data Warehouse data management system continues to follow the students' progress as monitored by the PMP. Online assessments and other data are tracked in Data Warehouse.

Describe the plan to train staff on MTSS.

The RtI Leadership Team received initial training two years ago during a 4-day workshop led by district staff and receives annual updated training throughout the school year. The Intervention Support Specialist is the school's MTSS Coordinator to oversee the problem solving process, ensure the integrity and consistency of implementation of the process, and facilitate the PLC team meetings. All teachers have been provided training from the MTSS Coordinator and have completed the district mandated three courses using the Direct Steps online training tool.

Describe the plan to support MTSS.

Mini workshops from district staff on MTSS-related topics such as differentiating instruction, data analysis, and specific intervention training are provided throughout the year during early release time. All staff are encouraged to utilize the variety of online resources, video clips, research links, intervention tools, and training materials available in ANGEL.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

The Alternative Schools literacy team consists of the Assistant Principal, Reading Coach, and a Reading Teacher from each of our programs throughout the district.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

Due to the nature of the Alternative Schools, and the distance between school sites, meetings are conducted electronically via email and ANGEL on a monthly basis, at a minimum. In addition, the Reading Coach visits each school weekly, supporting,

updating and soliciting information/knowledge from individual team members.

What will be the major initiatives of the LLT this year?

Major initiatives this year will be: Close reading in the content area using research based strategies; pre, during, and after reading strategies, to include writing across the content areas; writing journals, formative assessment; TAKE 10 lessons taught in content areas (district initiative); and Improving differentiated instruction in all classrooms.

*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

Authentic and content specific literacy is the responsibility of all teachers. Although not every teacher is a reading teacher per se, all teachers are indeed comprehension teachers who convey information to their students via the written word. In the effort to support literacy across disciplines, all secondary teachers in Collier County Public Schools utilize Collaborative Comprehension Strategies that guide students in pre-reading, comprehension monitoring, and summative question generating when encountering text. In addition, CCPS offers CAR-PD courses in order to build teachers' capacity to provide reading interventions to striving readers. An emphasis this year will be differentiation in the classrooms, and can be obtained by using accommodations in process, content, or product. Modeling and observation by the reading coach will continue throughout the year.

*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Postsecondary Transition

Note: Required for High School - Sec. 1008.37(4), F.S.

School Advisory Council

School Advisory Council (SAC) Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting "Yes" or "No" below.
