Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1. Recruitment Fairs/Internet Advertising All applicants go through an extensive screening process to ensure that they are the most highly qualified teacher for the position.	Human Resources District Office	Ongoing	
2. Mentor Program – Each beginning teacher is assigned a mentor for one year. Mentors have three or more years of successful teaching experience, work at the same school, hold a professional certificate and are trained in Clinical Education. Mentors are carefully selected to match the teaching assignment and/or needs of the beginning teacher. Mentors meet with new teachers on a regular basis and maintain a Mentoring Log of the meetings. Throughout the school year, mentors are also provided to any teacher requesting assistance in successfully completing his/her Professional Development Plan.	Mentors	1 year

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Describe how the school-based RtI Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate RtI efforts?

The RtI Leadership team meets monthly to review universal screening data and progress monitoring data as well as plan for interventions. The leadership team will complete an assessment of the RtI implementation progress as well as the staff's practices and skill development to determine the level of technical assistance and professional development assistance needed to support the school-wide implementation of RtI. Members of the Lead Literacy Team, Science and Math Leadership Team, and Behavior Lead Team serve on the RtI Leadership to ensure RtI efforts are coordinated throughout the school. The RtI leadership team will include the following personnel:

Administration: Supports the school-wide RtI implementation plan by ensuring that the school-based team receives professional development and adequate intervention and documentation support.

RtI Coach: Assists with the collection, interpretation and analysis of data. In addition, provides support to the team by providing interventions and necessary professional development in the problem-solving model.

General Education Teachers (Primary and Intermediate): Participates in data collection, delivers core instruction and interventions to students (Tier 1, 2 and 3), collaborates with other staff members on delivery of the core instruction and interventions throughout the leveled tiers and stays current on research-based best practices.

Literacy Coach: Assists in the implementation of the K-12 reading plan and keeps the staff up to date with research based interventions and supplemental services available to students at the different tier levels. In addition, facilitates and supports data collection activities.

ESE Teacher: Participates in student data collection, collaborates with general education teachers and integrates core instructional activities and interventions at levels tier 1, 2 and 3.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts? Our MTSS Leadership Team problem solves school-wide issues. There are representatives from most lead teams on the SBLT.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The RtI Leadership team will analyze current data including relevant demographic and school profile information, school-wide and grade level achievement data, progress monitoring data, student, staff and parent surveys as well as disaggregated data to make recommendations for the school improvement plan. They also plan for interventions, gather resources for support, follow up on individual student progress and identify professional development needs in order for RtI interventions to be successful.

MTSS Implementation

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior. Student data is housed with-in Pasco Star, PMRN,eSembler, Core K-12 and Terms. Data may be accessed through these systems for whole school, grade, class and individual students. In addition, formative classroom data is collected for each academic area throughout the year. The leadership team presents this data graphically in grade level meetings to facilitate curriculum and instructional decisions to meet students' academic and behavioral needs. Formative and summative data is analyzed to address Tier 2 and Tier 3 concerns for groups and individual students. Grade level teams, with the support of the RtI Leadership Team, use the data to problem-solve Tier 2 and Tier 3 academic and behavior intervention plans.

Describe the plan to train staff on MTSS.

The School-Based Leadership Team will receive ongoing coaching support from our school-based PS/RtI coach. A primary focus of this coaching will be building capacity for all School-Based RtI Leadership Team members to serve as facilitators in the problem solving process with a gradual release of responsibility to the grade level facilitators.

Describe plan to support MTSS.

In year 5 of RtI/MTSS, our SBLT will continue to address school-wide initiatives and issues. We are continuing to provide school-based trainings, developing our action plan and moving our school forward.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

George Papaemanuel
Dawn Scilex
Kim Valerio
Kelly Edwards
Kelli Henson
Cynthia Hann

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The Lead Literacy Team meets monthly to review data from a variety of sources to determine the level of technical assistance and professional development assistance needed to support the literacy goals and objectives. The lead literacy team is charged with prioritizing and developing staff development needs, developing and monitoring the SIP's literacy goals, analyzing data and communicating the school's literacy priorities and that every teacher is responsible to teach reading strategies.

What will be the major initiatives of the LLT this year?

The LLT will analyze assessment data to determine Tier 1 reading staff development needs with a focus on learning how to implement CCSS strategies, and gradual release of responsibility.

****Elementary Title I Schools Only: Pre-School Transition***

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

At Mary Giella Elementary School, all incoming Kindergarten students are assessed prior to or upon entering Kindergarten in order to determine individual and group needs and to assist in the development of effective, rigorous instructional and intervention programs. All students are assessed within the areas of Basic Skills/School Readiness, Oral Language/Syntax, Print/Letter knowledge, and Phonological Awareness/Processing. Specific screening tools our school will use include: FAIR, FLKRS, observations and classroom formative assessments.

Data will be collected and aggregated by the middle of September 2012 and will be used to plan daily academic and social/emotional instruction for all students who may need intervention beyond core instruction. Core Kindergarten academic and behavioral instruction will include daily explicit instruction, modeling, guided practice and independent practice of all academic and/or social emotional skills identified by screening data.

Vision and Hearing screenings are completed on all kindergarten students. Our SLP/Interventionist articulated about our incoming pre-school ESE students.

****Grades 6-12 Only*** Sec. 1003.413 (b) F.S

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

****High Schools Only***

Note: Required for High School-Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?
