Principal	Stephanie Adkinson	M.A Curriculum and Instruction Ed. Ed. Leadership B.S Family Consumer Science North Carolina A&T	2	15	While at Tyrone Middle School, the school grade went from a "C" in 2008-09 to a "B" in 2009-10. In 2010-11 the school grade returned to a "C". Despite having 74% of the student population identified as economically disadvantaged, learning gains in reading were 57% and in math 56% Under Ms. Adkinson's leadership during the 2010-11 school year 69% of the lowest 25% made learning gains in reading, while 63% of the lowest 25% made learning gains in math. During Ms. Adkinson's tenure at Tyrone Middle School several systems and effective processes, strategies and best practices were implemented. Therefore, during the month of October 2011-12 Ms. Adkinson was selected by the superintendent to be the principal of the "Great Historical" Gibbs High School. The overall school grade for the school year is pending. Learning gains made this year in reading 55% and in math 47%. Learning gains for the lowest 25% were as follows: Reading 57% and math 63%. The overall school grade is pending.
Assistant Principal of Curriculum	Nicole Johnson	Bachelor of Science from Florida A& M University, M. Ed Leadership from National-Louis University	4	3	During Mrs. Johnson's first year at Gibbs High School she worked as the Dropout Prevention Specialist. Her diligence helped earn a school grade of "C". This was up from the previous grade of an "F". The learning gains during the 2009-10 school year was reading 40% and math 65%. The learning gains for the lowest 25% were as follows: 45% in reading and 58% in math. During the 2010-11 school year the school earned a grade of "B". The learning gains in reading were 45% and in math 72%. The learning gains for the lowest 25% were as follows: 49% in reading and 56% in math. The current school grade is pending.
Assistant Principal of Instruction	Larry Balduff	B.S. **Secondary Education** M. Ed. Certificates Social Science 5-12 Educational Leadership All Levels	2	4	As Assistant Principal of Instruction Mr. Balduff supervises the goals of our math department. The standard student achievement in math went from an overall 59% in math to 43% The percent of learning gains went from 72% to 47%. The annual learning gains for the lowest 25% increased from 56% to 63%. Although our current school grade is pending our goal in math for the 2012-13 school year is 100% . Through Mr. Balduff's leadership an investment in the Ascend technology math program was purchased. With embedded feedback there is confidence that our math scores.
Assistant Principal	Ija Hawthorne	Bachelor of Science from William Carey College,	3	7	As Assistant Principal of the BETA program at Gibbs High School, Ms. Hawthorne is able to offer unique career and industry

of BETA		and a Master of Ed. Leadership from the University of South Fl.			certification opportunities to our students. Her high standards and hard work helped earn a school grade of "C" during the 2009-10 school year. This was up from the previous grade of an "F". The learning gains during this year in reading were 40% and math 65%. The learning gains for the lowest 25% were as follows: 45% in reading and 58% in math. During the 2010-11 school year the school earned a grade of "B". The learning gains in reading were 45% and in math 72%. Additional Requirements

*Coordination and Integration-*Title I Schools Only
Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A   Title I, Part A funds are utilized, in conjunction with district operating funds and other federal resources, to support teaching and learning, parental engagement, and professional development. Title I services are coordinated and integrated with other resources through the Division of Teaching and Learning, Student Assignment, and Research and Accountability.
Title I, Part C- Migrant   NA in Pinellas
Title I, Part D   The district receives Title I, Part D funds which provide transition services from alternative education programs to zoned schools. In addition, a portion of Title I, Part A funds is reserved for services to neglected and delinquent students. Funds are targeted to support continuous education services to students in neglected and delinquent facilities through

tutoring, instructional materials and resources, and technology.

Title II The district receives funds to increase student achievement through professional development for teachers and administrators. Title II funds provide math and science coaches, as required by Differentiated Accountability, in some of the district's lowest performing schools. A portion of Title I, Part A funds is used to provide additional reading and math coaches in targeted schools based on FCAT results.
Title III Title III funds provide educational materials, bilingual translators, summer programs, and other support services to improve the education of immigrant and English Language Learners. Bilingual translators provide assistance with parent workshops and dissemination of information in various languages for Title I schools.
Title X- Homeless The district receives funds to provide resources for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. A portion of Title I, Part A funds is also reserved to provide services to homeless students (social workers, a resource teacher, tutoring, and technology).
Supplemental Academic Instruction (SAI) SAI funds are coordinated with Title I, Part A funds to provide extended learning opportunities for students before/during/after school and during the summer.
Violence Prevention Programs
Nutrition Programs Title I coordinates with district food services to provide breakfast and lunch to students in Title I summer extended learning camps.
Housing Programs
Head Start Title I, Part A funds are used to provide Pre-Kindergarten to Kindergarten transition services. Title I schools coordinate with staff from public and private preschool programs, including Head Start, to prepare students for a successful start to school. A portion of Title I, Part A funds is used to provide classes for 3 year olds at targeted elementary schools to support early literacy.

The Multi-Tiered Systems of Support (MTSS) Leadership Team is comprised of administrators, guidance counselors, student services specialist, instructional coaches, and department chairs. Members of the MTSS LEADERSHIP TEAM meet weekly on Wednesday from 2pm- 3 pm and then serve as leaders of departments and cohorts in order to align all school initiatives. The MTSS LEADERSHIP TEAM serves as the primary tier 1 problem-solving unit on campus, as well as coordinates MTSS processes, the School Improvement Plan, and Differentiated Accountability requirement. The MTSS LEADERSHIP TEAM also analyzes data, which is compiled from a variety of sources such as PMRN, FCAT scores, cohort reports, and Portal reports. The MTSS LEADERSHIP TEAM also aligns functions of committees, identifies processes and resources for data management review student data , and develops resource map of interventions and strategies available. Based on the data provided at MTSS LEADERSHIP TEAM, Tier 2 problem solving engagement teams, which include the Literacy Leadership Team, Instructional Coaches, and the Positive Behavior Support Team, implement strategies developed at MTSS LEADERSHIP TEAM.   Tier 2 engagement teams also plan and implement supplemental supports as well as monitor their effectiveness. Tier 2 teams meet weekly. Tier 3 service providers who serve on the MTSS LEADERSHIP TEAM meet again weekly on Wednesdays from 7:30-3:30 as the Child Study Team and help create, monitor, and share tier two and three interventions with and for the MTSS LEADERSHIP TEAM based needs indentified through data analysis. Department Chairs and instructional coaches who serve on the MTSS LEADERSHIP TEAM meet with their departments every other Monday to afternoon to share goals, data, intervention, and initiatives established and/or reviewed during MTSS LEADERSHIP TEAM meetings. Administrators meet again weekly on Mondays afternoon to plan and problem-solve and establish direction for the MTSS LEADERSHIP TEAM and then serve as cohort PLC leaders every other Monday to disseminate strategies, initiatives, and data with cohort teachers.

Meeting time: <mark>Data Source: provided by school based personnel</mark> – **Every Thursday – 2:00 p.m. – 3:00 p.m.**

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?
<mark>Data Source: provided by school based personnel</mark>

The school-based leadership team takes an active role in the development and implementation of the School Improvement Plan (SIP). Team members are responsible for acquiring and analyzing data and facilitating problem-solving sessions with teachers across content area. Rough drafts based upon teacher input are comprised and each member is then responsible for editing the work of participating teachers in the area of their expertise, while reflecting upon past performance and setting goals for future performance. In addition, team members align school goals and initiatives with district and state goals and initiatives. Team members district meet with their respective department and cohort biweekly to ensure the school improvement plan is implemented with fidelity, as well as to reflect upon progress and/or the need for further interventions.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.
<mark>Data Source: provided by school based personnel</mark>

In order to summarize tiered data, the MTSS LEADERSHIP TEAM relies upon results from the FAIR assessment, administered three times annually, found in the Progress Monitoring and Reporting Network (PMRN) database and FCAT data. Results of math and science mini-assessment and Glencoe writing assessments are also utilized and behavior and attendance report will generated from our students information system, FOCUS. The data is collected by administrators, the data management technician, and staff developers and then brought to the attention of the MTSS LEADERSHIP TEAM for analysis problem-solving and planning to ensure highest student achievement for all students.

2012-2013School Improvement Plan (SIP)-Form SIP-1

Describe the plan to train staff on MTSS. **Data Source: provided by school based personnel** Professional development for the 2012-2013 school year will be provided by staff developers and other content specialist through pre-school workshops on RtI: B, data collection and progress monitoring, and MTSS that will focus on building and establishing knowledge and operations for research-based best practices. Tier one and two interventions and progress monitoring will be reinforced through biweekly department PLC's and again in biweekly cohort PLC's facilitated by MTSS LEADERSHIP TEAM members. The MTSS LEADERSHIP TEAM will also participate in the district provided booster training
Describe plan to support MTSS. **Data Source: provided by school based personnel** The MTSS LEADERSHIP TEAM will support MTSS school wide at each tier. At tier 2, problem solving engagement teams will have dedicated time during the school day to plan, implement, and progress monitor interventions. This will be done during common planning, department meetings, cohort meetings, and during lesson studies. Additionally, instructional staff developer and key content leaders will have access to school wide data via FOCUS and other student management databases. The Literacy Leadership team will provide school wide literacy strategies and suggestions for interventions.   MTSS supports will be systematically delivered through the Cohort Teams, based upon a set of criterion established from early warning predictors. Students are identified through data collection every semester and placed into reading, intensive math, and intervention classes by the Cohort Team. Six week attendance, academic, and behavior support courses and programs are also provided through the cohort guidance counselor. Progress is monitored by the teachers of the support classes and shared and assessed by the Cohort Team and the Cohort PLCs.

Literacy Leadership Team (LLT)

2012-2013School Improvement Plan (SIP)-Form SIP-1

School-Based Literacy Leadership Team
Identify the school-based Literacy Leadership Team (LLT).

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).
Literacy Leadership Teams create capacity of reading knowledge within the school by focusing on the following areas of literacy concern:
•   Support for text complexity
•   Support for instructional skills to improve reading comprehension
       o   Ensuring that text complexity, along with close reading and rereading of texts, is central to lessons
       o   Providing scaffolding that does not preempt or replace text reading by students
       o   Developing and asking text dependent questions from a range of question types
       o   Emphasizing students supporting their answers based upon evidence from the text
       o   Providing extensive research and writing opportunities (claims and evidence)
•   Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects (a focus on text, task, and instruction).
 	
The district will provide training and tools for Literacy Leadership Teams.

What will be the major initiatives of the LLT this year? Support for text complexity •   Support for instructional skills to improve reading comprehension •   Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects

*Grades 6-12 Only*Sec. 1003.413 (2)(b) F.S

For schools with grades 6-12, how does the school ensure that every teacher contributes to the reading improvement of every student?

• The school Literacy Leadership Team is established to grow the use of literacy strategies in all disciplines. The Team is composed of a cross section of the faculty that act as liaisons to help grow department wide literacy strategies in all classrooms • The school has a Student Literacy Team that assists in the development and implementation of classroom literacy strategies. • Teacher evaluations include a provision for teaching reading strategies to students. The teacher summative evaluation, in most cases, uses reading data as a portion of teacher performance.

2012-2013School Improvement Plan (SIP)-Form SIP-1

High Schools Only

Note: Required for High School-Sec. 1003.413(2)(g), (2)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

· Students are provided with an array of course offerings that have applicable skills directly relating to various post-secondary training.   · Applied and integrated courses are found extensively in our schools' Center of Excellence program. Within the Center of Excellence, students are required to take multiple integrated courses each year.   · Teachers use a daily common board configuration to identify learning targets for students and how it is relevant in their daily lives.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

Guidance counselors meet with students in individual, small group and large group settings to provide service for academic and social needs. Academic advisement leading into career choice awareness, exploration and planning occurs each year.   · Students meet with guidance counselors individually each year to identify and request courses for the upcoming school year. Counselors also conduct credit checks each year, with multiple meetings each year as student's progress through high school.   · Students have the ability to take a transitions course into and out of high school where transition skills are developed and career planning takes place.

Postsecondary Transition

Note: Required for High School- Sec. 1008.37(4), F.S.
Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report.

The School Based Leadership Team analyzes the High School Feedback Report each year to determine strengths, weaknesses and problem solve gaps in data. Since the data is lagging by two years, it is sometimes difficult to quickly affect change. Some current and previous strategies used to increase postsecondary readiness include: implementation and increased use of the AVID program; increased participation in advanced coursework; establishment and expansion of Centers of Excellence; increased participation in ACT, CPT, and SAT exams; improved articulation with local colleges and postsecondary institutions; and participation in partnerships with St. Petersburg College.
