

FLORIDA DEPARTMENT OF EDUCATION

Seffner Elementary School

School Improvement Plan (SIP)
Form SIP-1

2012-2013 SCHOOL IMPROVEMENT PLAN

PART I: SCHOOL INFORMATION

School Name: Seffner Elementary	District Name: Hillsborough County Public Schools
Principal: Elizabeth D. Giles	Superintendent: Mary Ellen Elia
SAC Chair: Denise Verrill	Date of School Board Approval:

Student Achievement Data:

The following links will open in a separate browser window.

[School Grades Trend Data](#) (Use this data to complete Sections 1-4 of the reading and mathematics goals and Sections 1 and 2 of the writing and science goals.)

[Florida Comprehensive Assessment Test \(FCAT\)/Statewide Assessment Trend Data](#) (Use this data to inform the problem-solving process when writing goals.)

[High School Feedback Report](#)

[K-12 Comprehensive Research Based Reading Plan](#)

Highly Qualified Administrators

List your school's highly qualified administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and Ambitious but Achievable Annual Measurable Objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
Principal	Elizabeth D. Giles	MS Ed Leadership BA Psychology Cert. Elem. Ed 1-6 Ed Leadership all levels ESOL endorsement	1	6	11/12 Seffner A Reading 71% Math 59% 10/11 Seffner A 90% AYP 09/10 Yates B 77% AYP 08/09 Yates A 92% AYP
Assistant Principal	Rosanne Mennie	MS Ed. Leadership BA Psychology Cert. Elem Ed 1-6 Ed. Leadership ESOL endorsement	2	3	11/12 Seffner A Reading 71% Math 59% 10/11 Seffner A 90% AYP 09/10 Seffner A 95% AYP

Highly Qualified Instructional Coaches

List your school’s highly qualified instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject Area	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
Reading	Victoria Duke	BS in Elementary Education Certified K-6	2 years	3 years	2011-2012 Seffner A Reading 71% Math 59% 2010-2011 Boyette Springs B 2009-2010 Cypress Creek C

Highly Qualified Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly qualified teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1. Teacher Interview Day	District staff	June	
2. Recruitment Fairs	District staff	June	
3. New Teacher Mentor program	District staff	ongoing	
4. District Peer Program	District Peers	ongoing	
5. School-based teacher recognition system	Principal	ongoing	
6. Opportunities for teacher leadership	Principal	ongoing	

Non-Highly Qualified Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field (not ESOL certified) and not highly qualified.

Number of staff and paraprofessional that are teaching out-of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective
Teachers 5 out of field ESOL 1 teacher out of field Autism	Depending on the needs of the teacher, one or more of the following strategies are implemented. Administrators: Meet with the teachers four times per year to discuss progress on: Completing classes needed for endorsements or additional certifications Provide substitute coverage for teachers to observe other teachers Discussion of what teachers learned during the observations Reading Coach The coach co-plans, models, co-teaches, observes, and conferences with the teacher on a regular basis. PLC Leader The teachers will attend PLC meetings for on-going adult learning, striving to understand how they as individual teachers and PLC members can improve learning for all.

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Qualified Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers
61	8% (5)	26% (16)	42% 26	23% (14)	23% (14)	100% (61)	8% (5)	3%(2)	62% (38)

Teacher Mentoring Program

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Please describe the school’s teacher mentoring program by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
Caitlin Cook	Aimee Bardelang	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Weekly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Lauren Mason	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Weekly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Jennifer Stratchko	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Weekly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Kara Tubbs	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Bi-monthly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Michelle Barnes	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Weekly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Jessica Weaver	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Weekly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Tina Camilitti	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Bi-monthly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.
Kristy Sheehan	Edgar B. Erwine	The district-based mentor is with the EET initiative. The mentor has strengths in the areas of leadership, mentoring, and increasing student achievement.	Bi-monthly visits to include modeling, co-teaching, analyzing student work/data, developing assessments, conferencing and problem solving.

Additional Requirements

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Coordination and Integration-Title I Schools Only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

Title I, Part A Services are provided to ensure students who need additional remediation are provided support through: after school and summer programs, quality teachers through professional development, and a full time reading coach, and mentors.
Title I, Part C- Migrant Not applicable
Title I, Part D The district received funds to support the Alternative Education Program which provides transition services from alternative education to school of choice.
Title II The district receives funds for staff development to increase student achievement through teacher training. On site course and book studies are held on campus.
Title III Services are provided through the district for education materials and ELL district support services to improve the education of English Language Learners.
Title X- Homeless The district receives funds to provide resources (social workers, and tutoring) for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education.
Supplemental Academic Instruction (SAI) SAI funds will be coordinated with Title I funds to provide summer school, reading coaches, and extended learning opportunity programs.
Violence Prevention Programs Not applicable
Nutrition Programs Not applicable
Housing Programs Not applicable
Head Start We use information from students in Head Start to transition into Kindergarten.
Adult Education Not applicable
Career and Technical Education The career and technical support is specific to each school site in which funds can be utilized, in a specific program, within Title I regulations
Job Training Job training support is specific to each school site in which funds can be utilized, in a specific program, within Title I regulations
Other Not applicable

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (Rti)

School-Based MTSS/Rti Team

Identify the school-based MTSS Leadership Team.

The leadership team includes:

Elizabeth Giles, Principal

Rosanne Mennie, Assistant Principal

Rich Downs, Guidance Counselor

Gloria P. Figueroa, School Psychologist

Alisha Brill, School Social Worker

Victoria Duke, Reading Coach, Parent Involvement liason

Cassandra Davis, ESE Specialist

Jessica Savary, On-Site Professional Developer

Sheila Hays, EET Liason

Susan Conley, 4th grade team leader, SIP, Task box coordinator

Lydia Fayish, SES Tutoring liason

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The purpose of the core Leadership Team is to:

1. Review school-wide assessment data on an ongoing basis in order to identify instructional needs at all grade levels.
2. Support the implementation of high quality instructional practices at the core and intervention/enrichment (Tiers 2/3) levels.
3. Review ongoing progress monitoring data at the core to ensure fidelity of instruction and attainment of SIP goal(s) in curricular, behavioral, and attendance domains.
4. Communicate school-wide data to PLCs and facilitate problem solving within the content/grade level teams.

The leadership team meets bi-monthly. The team's responsibilities include:

- Oversee the multi-layered model of instructional delivery (Tier 1/Core, Tier 2/Supplemental, Tier 3/Intensive)
- Ensure the master schedule incorporates allocated time for intervention support at all grade levels
- Determine scheduling needs and assist teacher teams in identifying research-based instructional materials and intervention resources at Tiers 2/3.
- Facilitate the implementation of specific programs (e.g., Extended Learning Programs during and after school) that provide intervention support to students identified through data sorts/chats conducted by the PLCs.
- Determine the school-wide professional development needs of faculty and staff and arrange trainings aligned with the SIP goals.
- Organize and support systematic data collection (e.g., district and state assessments; during the grading period school assessments/checks for understanding; in-school surveys)
- Assist and monitor teacher use of SMART goals per unit of instruction. (data will be collected and analyzed by PLCs and reported to the Leadership Team/PSLT)
- Strengthen Tier 1 (core curriculum) instruction through the:

2012-2013 School Improvement Plan (SIP)-Form SIP-1

1. Implementation and support of PLCs
 2. Review of teacher/PLC core curriculum assessments/chapter tests/checks for understanding (data will be collected and analyzed by PLCs and reported to the Leadership Team/PSLT)
 3. Use of Common Core Assessments by teachers teaching the same grade/course (data will be collected and analyzed by PLCs and reported to the Leadership/PSLT team)
 4. Implementation of research-based scientifically validated instructional strategies and /or interventions.
 5. Communication with major stakeholders (e.g. parents, business partners, etc.) regarding student outcomes through data summaries and conference
- Support the planning, implementing, and evaluating the outcomes of supplemental and intensive interventions in conjunction with PLCs and Specialty PSLT.
 - Work collaboratively with the PLCs in the implementation of the C-CIM (Core Continuous Improvement Model) on core curriculum material.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

- The administration, leadership team, teachers and SAC are involved in the School Improvement Plan development and monitoring throughout the school year.
- The School Improvement Plan is the working document that guides the work of the Leadership Team and all teacher teams. The large part of the work of the team is outlined in the Expected Improvements/Problem Solving Process sections (and related professional development plans) for school-wide goals in Reading, Math, Writing, Science, Attendance and Suspension/Behavior.
- Given that one of the main tasks is to monitor student data related to instruction and interventions, the Leadership Team/PSLT monitors the effectiveness of instruction and intervention by reviewing student data as well as data related implementation fidelity (teacher walk-through data).
- The Leadership Team communicates with and supports the PLCs in implementing the proposed strategies by distributing Leadership Team members across the PLCs to facilitate planning and implementation. Once strategies are put in place, the Leadership Team members who are part of the PLCs regularly report on their efforts and student outcomes to the larger Leadership Team/PSLT.
- The Leadership Team, PSLT, and PLCs all use the problem solving process (Problem Identification, Problem Analysis, Intervention Design and Implementation, and Evaluation to :

Use the problem-solving model when analyzing data:

1. What is the problem? (Problem Identification)
2. Why is it occurring? (Problem Analysis and Barrier Identification)
3. What are we going to do about it? (Action Plan Design and Implementation)
4. Is it working? (Monitor Progress and Evaluate Action Plan Effectiveness)

Identify the problem (based on an analysis of the data disaggregated via data sorts) in multiple areas – curriculum content, behavior, and attendance

Develop and target interventions based on confirmed hypothesis

Identify appropriate progress monitoring assessments to be administered at regular intervals matched to the intensity of the level of instructional/intervention support provided.

Review progress monitoring data at regular intervals to determine when student(s) need more or less support (e.g. frequency, duration, intensity) to meet established class, grade, and/or school goals (e.g. use of data-based decision-making to fade, maintain, modify or intensify intervention and/or enrichment support).

Each PLC develops PLC action plan for SIP strategy implementation and monitoring.

Assess the implementation of the strategies on the SIP using the following questions:

1. Does the data show implementation of strategies are resulting in positive student growth?

2012-2013 School Improvement Plan (SIP)-Form SIP-1

2. To what extent are we making progress toward the school's SIP goals?
3. If we are making progress, what can we do to sustain what is working?
4. What barriers to implementation are we facing and how will we address them?
5. What should we do next? What should be our plan of action?

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

Core Curriculum (Tier 1)

Data Source	Database	Person (s) Responsible
FCAT released tests	School Generated Excel Database	Reading Coach/AP
Baseline and Midyear District Assessments	Scantron Achievement Series Data Wall	Leadership Team, PLCs, individual teachers
District generated assessments from the Office of Assessment and Accountability <i>Monthly Demand Writes</i>	Scantron Achievement Series Data Wall	Leadership Team, PLCs, individual teachers
Subject-specific assessments generated by District-level Subject Supervisors in Reading, Language Arts, Math, Writing and Science Formative assessments A, B, C reading and Math; Hillsborough Writes in writing; Science formative assessments.	Scantron Achievement Series Data Wall <i>PLC Logs</i>	Leadership Team, PLCs, individual teachers
FAIR	Progress Monitoring and Reporting Network Data Wall	Reading Coach/ <i>Teacher</i> /Reading PLC Facilitator
CELLA	Sagebrush (IPT)	ELL PSLT Representative
Teachers' common core curriculum assessments on units of instruction/big ideas in reading, math, writing and science.	<i>Ed-Line</i> <i>PLC Database</i> <i>PLC logs</i>	Individual Teachers/ Team Leaders/ PLC Facilitators/AP
DRA-2	School Generated Excel Database	Individual Teacher
<i>Reports on Demand/Crystal Reports</i>	<i>District Generated Database</i>	<i>Leadership Team/Specialty PSLT</i>

Supplemental/Intensive Instruction (Tiers 2 and 3)

Data Source	Database	Person (s) Responsible for Monitoring
Extended Learning Program (ELP)	School Generated Database in Excel	Leadership Team/ ELP Facilitator

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Ongoing Progress Monitoring (mini-assessments and other assessments from adopted curriculum resource materials)		
Differentiated mini assessments based on core curriculum assessments.	<i>Individual teacher data base PLC data base</i>	Individual Teachers/PLCs
FAIR OPM	School Generated Database in Excel	Leadership Team/Reading Coach
Ongoing assessments within Intensive Courses (<i>Middle/High</i>)	Database provided by course materials (for courses that have one), School Generated Database in Excel	Leadership Team/PLC/Individual Teachers
Other Curriculum Based Measurement	<i>easyCBM</i> School Generated Database in Excel	Leadership Team/PLCs/Individual Teachers
Research-based Computer-assisted Instructional Programs such as IStation, MathFirst, FCAT Explorer.	Assessments included in computer-based programs	PLCs/Individual Teachers

Describe the plan to train staff on MTSS.
 The Leadership Team/will continue to work to build consensus with all stakeholders regarding a need for and a focus on school improvement efforts. The Leadership Team will work to align the efforts of other school teams that may be addressing similar identified issues.

As the District’s *RtI Committee/RtI Facilitators* develop(s) resources and staff development trainings on PS/RtI, these tools and staff development sessions will be conducted with staff when they become available. Professional Development sessions, *as identified by teacher needs assessment and/or EET evaluation data*, will occur during faculty meeting times or rolling faculty meetings. *The Leadership Team will send school team representatives to ongoing PS/RtI trainings/support sessions that are offered district-wide.* Our school will invite our area RtI Facilitator to visit quarterly (*or as needed*) to review our progress in implementation of PS/RtI and provide on-site coaching and support to our Leadership Teams/PLCs. New staff will be directed to participate in trainings relevant to PLCs and PS/RtI as they become available.

Describe plan to support MTSS.
 Response to Intervention (RtI) has also been described in Florida as a multi-tiered system of supports (MTSS) for providing high quality instruction and intervention matched to student needs using learning rate over time and level of performance to inform instructional decisions. In order to support MTSS in our schools, we will:

- Consistently promote the shared vision of one system meeting the needs of ALL students with MTSS as the platform for integrating all school initiatives (i.e., PLC, PSLT, Steering, and SAC meetings, lesson study, school-wide behavior management plans).
- Provide designated school personnel with the requisite knowledge and experience to support coordination and implementation of MTSS.
- Provide continued training and support to all school based personnel in problem solving, responding to student data and the use of a systematic method to increase student achievement.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team
Identify the school-based Literacy Leadership Team (LLT). Elizabeth Giles, Principal Rosanne Mennie, Assistant Principal

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Victoria Duke, Reading Coach
Rose Alfonso, Media Specialist
Susan Conley, Reading Resource
Gloria Webb, Writing Contact

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT is a subset of the Problem Solving Leadership Team. The team provides leadership for the implementation of the reading and writing goals and strategies identified on the SIP.

The principal is the LLT chairperson. The reading coach is a member of the team and provides extensive expertise in data analysis and reading interventions. The reading coach and principal collaborate with the team to ensure that data driven instructional support is provided to all teachers.

The principal also ensures that the LLT monitors reading data, identifies school-wide and individual teachers' reading-focused instructional strengths and weaknesses, and creates a professional development plan to support identified instructional needs in conjunction with the Problem Solving Leadership Team's support plan.

Additionally, the principal ensures that time is provided for the LLT to collaborate and share information with all site stakeholders including other administrators, teachers, staff members, parents and students.

What will be the major initiatives of the LLT this year?

- Implementation and evaluation of the SIP reading and writing goals/strategies across the content areas.
- Professional Development
- Co-planning, modeling and observation of research-based reading and writing strategies within lessons across the content areas
- Data analysis (on-going)
- Implementation of the K-12 Reading Plan

NCLB Public School Choice

- **Supplemental Educational Services (SES) Notification**

***Elementary Title I Schools Only: Pre-School Transition**

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

In Hillsborough County Public schools, all kindergarten children are assessed for Kindergarten Readiness using the FLKRS (Florida Kindergarten Readiness Screener.) This state-selected assessment contains a subset of the Early Childhood Observation System and the first *two* measures of the Florida Assessments in Reading (FAIR). The instruments used in the screening are based upon the Florida Voluntary Prekindergarten (VPK) Education Standards. ***Parents are provided with a letter from the Commissioner of Education, explaining the assessments.*** Teachers will meet with parents after the assessments have been completed to review student performance. Data from the FAIR will be used to assist teachers in creating homogeneous groupings for small group reading instruction. Children entering Kindergarten may have benefited from the Hillsborough County Public Schools' Voluntary Prekindergarten Program. This program is offered at elementary schools in the summer and during the school year in selected Head Start classrooms. ***Starting in the 2012-2013 school year, students in the VPK program will be given the state-created VPK Assessment that looks at Print Knowledge, Phonological Awareness, Mathematics and Oral Language/Vocabulary.*** This assessment will be administered at the start and end of the VPK program. A copy of these assessments will be mailed to the school in which the child will be registered for kindergarten, enabling the child's teacher to have a better understanding of the child's abilities from the first day of school. Parent Involvement events for Transitioning Children into Kindergarten include Kindergarten RoundUp. This event provides parents with an

2012-2013 School Improvement Plan (SIP)-Form SIP-1

opportunity to meet the teachers and hear about the academic program. Parents are encouraged to complete the school registration procedure at this time to ensure that the child is able to start school on time.

***Grades 6-12 Only Sec. 1003.413 (b) F.S**

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

n/a

***High Schools Only**

Note: Required for High School-Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

n/a

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

n/a

Postsecondary Transition

Note: Required for High School- Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#).

n/a

PART II: EXPECTED IMPROVEMENTS

Reading Goals

Reading Goals			Problem-Solving Process to Increase Student Achievement				
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
1. FCAT 2.0: Students scoring proficient in reading (Level 3-5).			1.1. - Professional development for implementing Common Core standards and strategies as they relate to close reading of complex texts is needed.	1.1. - Strengthen the core curriculum, with a focus on Common Core Reading strategies across the content areas. Comprehension will improve as students grapple with complex texts and actively participate during lessons that follow the Gradual Release instructional model.	1.1. <u>Who</u> - Teacher - Principal - AP - Reading Coach - Instructional Leadership Team	1.1. <u>Teacher Level</u> - The classroom teacher will review students’ scores to determine the number of students demonstrating proficiency towards benchmark attainment.	1.1. <u>2-3x Year</u> - Selective use of MacMillan Weekly Comprehension Assessment/Spiral Review with additional teacher-developed, stemmed-based questions
<u>Reading Goal #1:</u> In grades 3-5, the percentage of students scoring a level 3 or higher on the 2013 FCAT Reading will increase from 71% to 74%.	<u>2012 Current Level of Performance:*</u> 71%	<u>2013 Expected Level of Performance:*</u> 74%	1.1. - Across subjects, not all teachers of the same grade level give the same common assessment at the end of the instructional cycle.	- Teachers need support for identifying/selecting complex texts and understanding how to share it effectively with all students. Responsibility for implementation rests on all content area teachers. (EET Rubric: 1a, 1b, 3a, 3c, 3e) <u>Action Steps:</u> Action steps for this strategy are outlined on grade level/content area PLC log. Plan - Within PLCs, teachers identify complex texts of appropriately challenging levels and develop questions that require close reading. - Discuss specific shared/guided reading strategies that both connect to prior lessons and prepare students for future instruction.	<u>How</u> - Following weekly PLC sessions, standard logs will be completed and turned into administration - Evidence of strategies in use during administrative walkthroughs and observations	<u>PLC/Department Level</u> - PLCs will examine classes’ progress towards benchmark attainment and note any trends. - PLCs will share strategies that worked with teachers who may have students struggling in a certain area.	- Macmillan Benchmark Assessments - FAIR County Formatives A, B, and C - Macmillan/McGraw-Hill Fluency Assessment - Reading Records - DRA2 - Easy CBM - Istation

2012-2013 School Improvement Plan (SIP)-Form SIP-1

			<ul style="list-style-type: none"> - Discuss strategies for involving students in active participation such as collaborative structures and accountable talk. - Discuss and plan ways to increase student practice and effective discourse of skills learned in the lesson. - PLCs identify common assessment for the upcoming unit of instruction. (EET Rubric 1a, 1b, 4d) <p>Do/Check</p> <ul style="list-style-type: none"> -Working collaboratively, teachers implement lessons using complex texts within the Gradual Release context, ensuring appropriate lesson pace and providing the time for students to be intellectually engaged in each stage. (EET Rubric 3a, 3c, 3e) -At the end of the unit, teachers administer the common assessment and provide timely feedback to students so they can use the results to enhance their learning. (EET Rubric 3d) <p>Check/Act</p> <ul style="list-style-type: none"> -Teachers bring common assessment data back to PLCs. -Based on the data, teachers reflect on their own teaching and plan for lessons that are cohesive and directly connected to assessment outcomes. (EET Rubric 4a) 		electronic data wall and look for trends.	
		1.2. - Professional development would deepen teachers' knowledge base of this strategy.	1.2 Common Core reading strategy across all content areas: To effectively scaffold students' reading comprehension, teachers must develop and present higher-order, text-dependent questions . As students are required to support answers with text evidence, they achieve a deeper sense of the author's meaning.	1.2. <u>Who</u> -Teacher -Principal -AP -Reading Coach -Mentors	1.2. See 1.1	1.2. See 1.1

2012-2013 School Improvement Plan (SIP)-Form SIP-1

			<p><u>Action Steps</u></p> <p>Within PLCs -Teachers plan for higher-order questions/tasks to increase lesson rigor and promote student achievement. -Teachers develop scaffolding questions/tasks to address students’ anticipated needs. --Teachers examine student work to evaluate complexity of students’ thinking and overall performance. -Data analysis drives future instruction.</p> <p>In the classroom -Ask questions/provide time for higher-order engagement. -Use probing questions to encourage students to elaborate/support their responses. -Invite students to “unpack” their thinking by describing their process. -Offer open-ended questions to spark quality discourse. -Scaffold questions when answers are incorrect/need clarification. -Plan to engage all students.</p>	<p><u>How</u></p> <p>-Subject area PLC logs turned in to administration. -PLCs receive feedback -Progress of PLCs. discussed at Leadership Team meetings.</p>		
		<p>1.3. -Teachers are at varying levels of understanding how to teach vocabulary in an ongoing, intellectually engaging way that promotes acquisition. -Teachers need support to identify the appropriate texts and words to teach for effective vocabulary instruction.</p>	<p>1.3. <u>Strategy:</u> The purpose of this strategy is to strengthen the core curriculum. Students’ vocabulary knowledge and use will improve with strategies to include: - A specific daily time for work on vocabulary that is embedded in text. - Activities that include all learning modalities. - A routine that is familiar to students like a workshop.</p>	<p>1.3. See 1.1</p>	<p>1.3. See 1.1</p>	<p>1.3. <u>2-3x per year</u> -FAIR Vocabulary Assessment -FAIR Ongoing Progress Monitoring Tool -Students’ written work reflecting use of vocabulary taught.</p>

2012-2013 School Improvement Plan (SIP)-Form SIP-1

			<p>Action Steps:</p> <p>Plan</p> <p>-Administer teacher-training/resource- needs assessment to determine support plan.</p> <p>-Schedule training and plan for resources (EET Rubric 1a, 1b, 4d)</p> <p>Do/Check</p> <p>-PLCs agree on progress monitoring/evaluation tools for measuring vocabulary.</p> <p>-Begin implementation of vocabulary instructional routine using Tier 2 words</p> <p>-Assess students with progress-monitoring tools (EET Rubric 3d)</p> <p>Check/Act</p> <p>-Teachers bring common assessment data back to PLCs.</p> <p>-Based on the data, teachers reflect on their own teaching.</p> <p>-Identify trends and design lessons to target scaffolding needs and develop instructional contexts that promote rigorous vocabulary acquisition. (EET Rubric 4a)</p>			
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:	Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool	
2. FCAT 2.0: Students scoring Achievement Levels 4 or 5 in reading.	2.1.	2.1.	2.1.	2.1.	2.1.	
Reading Goal #2:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*				

2012-2013 School Improvement Plan (SIP)-Form SIP-1

<p>The percentage of students scoring a level 4 or higher on the 2013 FCAT Reading will increase from 39% to 42%..</p>	39%	42%	See Goal 1				
			<p>2.2.</p> <ul style="list-style-type: none"> -Teachers are at varying levels of understanding how to teach vocabulary in an ongoing, intellectually engaging way that promotes acquisition -Teachers need support to identify the appropriate complex texts and words to teach for effective vocabulary instruction. 	<p>2.2.</p> <p><u>Strategy:</u></p> <p>The purpose of this strategy is to strengthen the core curriculum. Students’ cross-content vocabulary acquisition will improve through close reading of complex texts that are rich in both challenging vocabulary and contextual support.</p> <p><u>Action Steps:</u></p> <ul style="list-style-type: none"> - PLCs will recognize vocabulary needs at the enrichment level within each content area. - PLCs come to consensus on the use of common assessments: 1) vocabulary items included in end-of -unit assessment, acquisition-based activities and/or 2) quality program assessments provided in curriculum resources and materials. - As a professional development activity, PLCs study the process of scaffolding lessons to foster successful execution of complex vocabulary acquisition tasks. - As a professional development activity, PLCs design specific scaffolding lessons essential to fostering appropriate vocabulary acquisition to enrich/extend students’ current level of mastery. - Teachers implement the scaffolded lessons. - Teachers administer common assessments and bring assessment data back to the PLCs, where members analyze results with attention to trends. - As a professional development activity, PLCs consider the data to determine next steps within their vocabulary instructional model. - PLCs record their work in PLC logs. 	<p>2.2.</p> <p><u>Who</u></p> <ul style="list-style-type: none"> -Teacher - Principal - Assistant Principal - Reading Coach - Instructional and Reading Leadership teams <p><u>How</u></p> <ul style="list-style-type: none"> - PLC logs turned into administration. - Administration provides feedback. - Strategies observed being used during classroom walkthrough 	<p>2.2.</p> <p><u>Teacher Level</u></p> <ul style="list-style-type: none"> -Reflection on lesson outcomes drives future instruction. <p><u>PLC Level</u></p> <ul style="list-style-type: none"> -Individual teacher data is aggregated across content areas for progress monitoring. -Outcomes analyzed for essential instructional shifts <p><u>Leadership Team Level</u></p> <ul style="list-style-type: none"> -Team reviews PLC action plan data. -Data determines nature and level of teacher/student support provided. 	<p>2.2</p> <p>3x Per Year</p> <ul style="list-style-type: none"> - FAIR <p><u>During the Grading Period</u></p> <ul style="list-style-type: none"> - Common assessments

Mathematics Goal #3:	<u>2012 Current Level of Performance:*</u>	<u>2013 Expected Level of Performance:*</u>					
Points earned from students making learning gains on the 2013 FCAT Math will increase from 73 76.	73	76	<p>Teachers are at varying levels of effectively implementing Differentiated Instruction strategies, especially with low-performing students</p> <p>Not all teachers understand how to maintain the District Planning Guide pace effectively when reteaching is needed.</p> <p>PLC meetings with a focus on identifying and/or developing curricular materials to ensure depth and rigor are needed.</p>	<p>The purpose of this strategy is to strengthen the core curriculum. Students' skills will improve through the presentation of lessons designed to deepen content knowledge and rigor. The DOE links to the NGSSS will be used to be sure the depth and rigor of each benchmark is understood and addressed in lesson content.</p> <p><u>Action Steps:</u> Plan</p> <p>Team PLCs will meet two to three times monthly, with vertical PLCs to occur once per quarter.</p> <p>PLCs identify the essential skills for the upcoming unit of instruction. PLCs will reflect on the following questions: <i>Does the assessment match the intended learning and learning targets? (EET Rubric 1f)</i></p> <p><i>Will we use and/or modify assessments from our adopted content materials (add/drop/modify questions)?</i></p> <p><i>How will we collect/track end-of-unit assessment data in order to evaluate student growth? (EET Rubric 1f and 4d)</i></p> <p>Teachers will be trained on how to access and utilize information and resources on the www.floridastandards.org link.</p> <p>PLC's will write SMART goals for the</p>	<p><u>Who</u></p> <p>Teacher Principal Assistant Principal</p> <p><u>How Monitored</u></p> <p>PLCs turn their logs into administration with pertinent unit-of-instruction data.</p> <p>PLCs receive feedback on data results regarding future instruction and support needed.</p> <p>Classroom walk-throughs observing this strategy.</p>	<p><u>Teacher Level</u></p> <p>The classroom teacher will review students' scores to determine the number of students demonstrating proficiency towards benchmark attainment.</p> <p><u>PLC/Department Level</u></p> <p>PLCs will examine classes' progress towards benchmark attainment and note any trends. PLCs will share strategies that worked with teachers who may have students struggling in a certain area.</p> <p><u>Leadership Team Level</u></p> <p>The PSLT will review grade level data on the electronic data wall and look for trends.</p>	<p>2-3x Per Year</p> <p>District Formatives(Baseline and Mid-Year)</p> <p><u>During the Grading Period</u></p> <p>Core curriculum assessments:</p> <p>BOY and EOY assessments</p> <p>Mid-Chapter tests</p> <p>End-of-Chapter tests</p>

2012-2013 School Improvement Plan (SIP)-Form SIP-1

				<p>material taught in each grading period.</p> <ul style="list-style-type: none"> - Teachers will attend district math content trainings to increase math content knowledge. <p>Do/Check</p> <ul style="list-style-type: none"> - In the PLC's teachers will talk about each benchmark being taught, sharing strategies for increasing the rigor of the benchmark. - Teachers will implement the lessons using the depth and rigor strategies. - Teachers will implement common assessments to determine attainment of the rigorous benchmark and ensure mastery. (EET Rubric 3d) - Increase on-site math trainings. <p>Check/Act</p> <ul style="list-style-type: none"> - Teachers will analyze assessment data to determine the effectiveness of the depth/rigor strategies that were used. (EET Rubric 4a) - PLCs will discuss assessment results and use the problem solving process to determine the next steps of rigor and depth lesson plans. (EET Rubric 1b and 1c) - Based on the data, teachers a) decide what skills need to be re-taught in a whole lesson to the entire class, b) decide what skills need to be moved to mini-lessons for the entire class, and c) what skills need to be re-taught to targeted students (EET Rubric 1b and 1c) 			
--	--	--	--	---	--	--	--

2012-2013 School Improvement Plan (SIP)-Form SIP-1

			3.2. - Teachers are at varying skill levels with higher- order questioning techniques. - PLC meetings with a focus on identifying and developing higher-order questions to deliver during lessons are needed.	3.2. <u>Strategy:</u> Students’ comprehension of course content/standards will improve through effective implementation of higher-order thinking and questioning techniques while transacting with texts of higher complexity. <u>Action Steps:</u> Plan - Teachers will attend school-based professional development activities on higher- order questioning techniques and apply those strategies. (EET Rubric 1a, 1b) - PLCs will provide support in higher-order strategies by discussing and implementing strategies discussed in “Teach Like a Champion”. - Teachers will probe for higher-level understanding during lessons. (EET Rubric 4d, 4e)	3.2. <u>Who</u> - Teachers - Principal - Assistant Principal <u>How Monitored</u> - PLCs turn their logs into administration with pertinent unit-of-instruction data. - PLCs receive feedback on data results regarding future instruction and support needed. - Classroom walk-throughs observing this strategy.	3.2. See 3.1	3.2. See 3.1
			3.3.	3.3.	3.3.	3.3.	3.3.
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
4. FCAT 2.0: Points for students in Lowest 25% making learning gains in mathematics.			4.1. - Teachers are at varying levels of effective implementation of	4.1. <u>Strategy:</u> - Students’ achievement in math improves when on-going data analysis drives Differentiated Instruction.	4.1. <u>Who</u> - Teacher - Principal - Assistant Principal	4.1. <u>Teacher Level</u> - The classroom teacher will review students’ scores to determine the number of students	4.1. <u>2-3x Per Year</u> - District Formatives(Baseline and Mid-Year)
<u>Mathematics Goal #4:</u> Points earned from	<u>2012 Current Level of Performance:*</u>	<u>2013 Expected Level of Performance:*</u>					

2012-2013 School Improvement Plan (SIP)-Form SIP-1

students in the bottom quartile making learning gains on the 2013 FCAT Math will increase from 69 to 72 points.	69 points	72 points	Differentiated Instruction, especially with low-performing students - Not all teachers understand how to maintain the District Planning Guide pace effectively when reteaching is needed. - PLC meetings with a focus on identifying and/or developing curricular materials to ensure depth and rigor are needed.	<u>Action Steps</u> Within PLCs prior to instruction: - Teachers plan for Differentiated Instructional groupings/activities, based on data from previous assessments and daily performance. - During instruction of new content, teachers consistently collect sufficient data to drive future planning. In the classroom: - Students work within flexible groupings during lessons. PLCs after instruction: - Teachers reflect and discuss outcomes. - Identify effective DI techniques for future instruction. - Analyze data to determine which students need reteaching/intervention support and discuss how that instruction could be delivered.	<u>How monitored</u> - PLCs turn logs into administration for review. - PLCs receive feedback on log content. - Administrators/PSLT members attend PLC meetings to provide support regarding next steps.	demonstrating proficiency towards benchmark attainment. <u>PLC/Department Level</u> - PLCs will examine classes' progress towards benchmark attainment and note any trends. - PLCs will share strategies that worked with teachers who may have students struggling in a certain area. <u>Leadership Team Level</u> - The PSLT will review grade level data on the electronic data wall and look for trends.	<u>During the Grading Period</u> - Core curriculum assessments: -BOY and EOY assessments - Mid-Chapter tests - End-of-Chapter tests

End of Science Goals

Writing/Language Arts Goals

Writing/Language Arts Goals			Problem-Solving Process to Increase Student Achievement				
Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
1. Students scoring at Achievement Level 3.0 or higher in writing.			1.1. -Teachers' knowledge base of planning and executing mode-based writing lessons varies.	1.1. Strategy: Students' use of mode-specific writing will improve through use of Writers' Workshop/daily instruction with a focus on mode-specific writing. Action Steps -Based on baseline data, PLCs write SMART that reflect a backward-planning approach. Plan: -Professional Development for updated rubric courses -Professional Development for instructional delivery of mode-specific writing -Using data to identify trends and drive instruction -Lesson planning based on the needs of students Do: -Daily/ongoing models and application of appropriate mode-specific writing based on teaching points -Daily/ongoing conferencing Check: Review of daily drafts and scoring monthly demand writes -PLC discussions and analysis of student writing to determine trends and needs	1.1. Who: - Teacher - Principal - AP - Grade-level PLC How Monitored - PLC logs turned into administration. - Administration provides feedback. - Classroom walk-throughs observing this strategy. - Evidence of strategy in teachers' lesson plans seen during administration walk-throughs. - EET Pop-Ins (Admin and Peer/Mentor) - EET formal observations (Admin and Peer/Mentor) - EET informal observation(Admin	1.1. PLCs will identify trends (deficiencies and growth) in student writing performance and collaborate to modify the instructional calendar to provide differentiated instruction as appropriate. PLCs - Review of monthly formative writing assessments to determine number and percent of students scoring above proficiency as determined by the assignment rubric. PLCs will chart the increase in the number of students reaching 4.0 or above on the monthly writing prompt. Students monitor and chart their own progress from Hillsborough Writes/ Seffner Writes and teacher practices in their writer notebooks The Problem Solving Leadership Team will review assessment data for trends in growth and decline. PSLT will develop strategies to support students who show lack of progress.	1.1. - Student monthly demand writes - Student daily drafts - Conferencing notes - Writing notebooks
Writing/LA Goal #1:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*					
The percentage of students scoring 3.0 or above on the 2013 FCAT Writing will increase from 86% to 89%.	86%	89%					

2012-2013 School Improvement Plan (SIP)-Form SIP-1

				<p><u>Act:</u> -Receive additional professional development in areas of need -Seek additional professional knowledge through book studies/research -Spread the use of effective practices across the school based on evidence shown in the best practice of others -Use what is learned to begin the cycle again, revise as needed, increase scale if possible, etc.</p>

End of Writing Goals

Attendance Goal(s)

Attendance Goal(s)		Problem-solving Process to Increase Attendance						
Based on the analysis of attendance data, and reference to “Guiding Questions”, identify and define areas in need of improvement:		Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool		
1. Attendance		1.1 Attendance committee needs to meet on a regular basis throughout the school year. -Need support in building and maintain the student database. Families take vacations during school week.	1.1 Tier 1 -The school will establish an attendance committee comprised of Administrators, guidance counselors, teachers and other relevant personnel to review the school’s attendance plan and discuss school wide interventions to address needs relevant to current attendance data. -The attendance committee will also maintain a database of students with significant attendance problems and implement and monitor interventions to be documented on the attendance intervention form (SB 90710) The attendance committee meets every two weeks.	1.1. Attendance committee will keep a log and notes that will be reviewed by the Principal on a monthly basis and shared with faculty.	1.1 Attendance committee will monitor the attendance data from the targeted group of students. Attendance committee will monitor the attendance data from the targeted group of students.	1.1. Instructional Planning Tool Attendance/Tardy data Ed Connect		
Attendance Goal #1:	2012 Current Attendance Rate:*							
The attendance goal will increase from 95.96% in 2011-2012 to 96% in 2012-2013. The number of students who have 10 or more unexcused absences throughout the school year will decrease by 10%. The number of students who have 10 or more unexcused tardies to school throughout the school year will remain at 0%.	2012 Current Number of Students with Excessive Absences (10 or more)						39	35
	2012 Current Number of Students with Excessive Tardies (10 or more)							
							0	0
		1.2 Tier 1 All teachers will post their attendance to Edline at a minimum of once per week allowing parents to monitor attendance.	1.2.	1.2.	1.2.	1.2.		
		1.3 Tier 2 Beginning at the 5th unexcused absence, the Attendance Committee (which is a subgroup of the Leadership Team) collaborate to ensure that a letter is sent	1.3.	1.3.	1.3.	1.3.		

2012-2013 School Improvement Plan (SIP)-Form SIP-1

		home to parents outlining the state statute that requires parents send students to school. If a student's attendance improves (no absences in a 20-day period) a positive letter is sent home to the parent regarding the increase in their child's attendance.

Suspension Goal(s)

Suspension Goal(s)			Problem-solving Process to Decrease Suspension				
Based on the analysis of suspension data, and reference to "Guiding Questions", identify and define areas in need of improvement:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
1. Suspension			1.1. There needs to be common school-wide expectations and rules for appropriate classroom behavior.	1.1. Tier 1 -Positive behavior support (PBS) will be implemented to address school-wide expectations and rules, set these through the school discipline committee and discipline data. -Provide training to staff in methods for teaching and reinforcing the school-wide rules and expectations.	1.1. Principal Assistant Principal ESE specialist Guidance Counselor	1.1. PSLT/Discipline committee chair will review data on Office Discipline referrals, District referrals, and out of school suspensions monthly.	1.1. EASI ODR and suspension data cross-referenced with mainframe discipline data.
Suspension Goal #1:	<u>2012 Total Number of In-School Suspensions</u>	<u>2013 Expected Number of In-School Suspensions</u>					
The total number of In-school suspensions will decrease by 10% for the 2012-2013 school year.	26	23					
	<u>2012 Total Number of Students Suspended In-School</u>	<u>2013 Expected Number of Students Suspended In-School</u>					

2012-2013 School Improvement Plan (SIP)-Form SIP-1

throughout the school year will decrease by 10% for the 2012-2013 school year.	16	14		-Make resources accessible for continued teaching and reinforcement of school expectations and rules. -Leadership Team conducts walk-throughs using a PBS form. -Data tracking the overall improvement is shared with the team leaders who in turn share with teams at PLCs. -Where needed, administration conducts individual data chats with students and/or teachers.			
	2012 Number of Out-of-School Suspensions	2013 Expected Number of Out-of-School Suspensions					
	24	22					
The total number of Out-of-School Suspensions will decrease by 10% for the 2012-2013 school year.	2012 Total Number of Students Suspended Out-of-School	2013 Expected Number of Students Suspended Out-of-School					
The total number of students receiving Out-of-School Suspensions throughout the school year will decrease by 10%.	17	15	1.2.	1.2.	1.2.	1.2.	1.2.
			1.3.	1.3.	1.3.	1.3.	1.3.

NEW Math Florida Alternate Assessment Goals

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
F. Florida Alternate Assessment: Students scoring at in mathematics (Levels 4-9).			F.1.	F.1. NA	F.1.	F.1.	F.1.
Mathematics Goal F:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*					

2012-2013 School Improvement Plan (SIP)-Form SIP-1

			F.2.	F.2.	F.2.	F.2.	F.2.
			F.3.	F.3.	F.3.	F.3.	F.3.
G. Florida Alternate Assessment: Percentage of students making Learning Gains in mathematics.			G.1.	G.1.	G.1.	G.1.	G.1.
Mathematics Goal:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*	NA				
			G.2.	G.2.	G.2.	G.2.	G.2.
			G.3.	G.3.	G.3.	G.3.	G.3.

NEW Geometry End-of-Course Goals *(High School ONLY)

Geometry EOC Goals			Problem-Solving Process to Increase Student Achievement				
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
H. Students scoring in the middle or upper third (proficient) in Geometry.			1.1.	1.1.	1.1.	1.1.	1.1.
Geometry Goal H:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*	NA				

2012-2013 School Improvement Plan (SIP)-Form SIP-1

			1.2.	1.2.	1.2.	1.2.	1.2.
			1.3.	1.3.	1.3.	1.3.	1.3.
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
I. Students scoring in the upper third on Geometry.			2.1.	2.1.	2.1.	2.1.	2.1.
Geometry Goal I:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*	NA				
			2.2.	2.2.	2.2.	2.2.	2.2.
			2.3.	2.3.	2.3.	2.3.	2.3.

End of Geometry EOC Goals

NEW Science Florida Alternate Assessment Goal

Elementary, Middle and High Science Goals	Problem-Solving Process to Increase Student Achievement					
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:	Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool	

2012-2013 School Improvement Plan (SIP)-Form SIP-1

J. Florida Alternate Assessment: Students scoring at proficient in science (Levels 4-9).			J.1.	J.1.	J.1.	J.1.	J.1.
Science Goal J:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*	J.2.	J.2.	J.2.	J.2.	J.2.
	Enter numerical data for current level of performance in this box.	Enter numerical data for expected level of performance in this box.					
			J.3.	J.3.	J.3.	J.3.	J.3.

NEW Biology End-of-Course (EOC) Goals

* When using percentages, include the number of students the percentage represents next to the percentage (e.g. 70% (35)).

Biology EOC Goals			Problem-Solving Process to Increase Student Achievement				
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
K. Students scoring in the middle or upper third (proficient) in Biology.			J.1.	J.1.	J.1.	J.1.	J.1.
Biology Goal K:	2012 Current Level of Performance:*	2013 Expected Level of Performance:*	J.2.	J.2.	J.2.	J.2.	J.2.
			J.3.	J.3.	J.3.	J.3.	J.3.
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool

2012-2013 School Improvement Plan (SIP)-Form SIP-1

L. Students scoring in upper third in Biology.			2.1.	2.1.	2.1.	2.1.	2.1.
<u>Biology Goal L:</u>	<u>2012 Current Level of Performance:*</u>	<u>2013 Expected Level of Performance:*</u>	NA				
			2.2.	2.2.	2.2.	2.2.	2.2.
			2.3	2.3	2.3	2.3	2.3

NEW Writing Florida Alternate Assessment Goal

Writing Goals			Problem-Solving Process to Increase Student Achievement				
Based on the analysis of student achievement data, and reference to “Guiding Questions”, identify and define areas in need of improvement for the following group:			Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
M. Florida Alternate Assessment: Students scoring at 4 or higher in writing (Levels 4-9).			M.1.	M.1.	M.1.	M.1.	M.1.
<u>Writing Goal M:</u>	<u>2012 Current Level of Performance:*</u>	<u>2013 Expected Level of Performance:*</u>	NA				
			M.2.	M.2.	M.2.	M.2.	M.2.
			M.3.	M.3.	M.3.	M.3.	M.3.

NEW Science, Technology, Engineering, and Mathematics (STEM) Goal(s)

STEM Goal(s)	Problem-Solving Process to Increase Student Achievement				
	Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
Based on the analysis of school data, identify and define areas in need of improvement:					
STEM Goal #1: Implement/expand project/problem-based learning in math and science.	1.1. -Need training on project-based learning in math and science.	1.1. -Documentation of planning of units and outcomes of units in logs. Increase effectiveness of lessons through lesson study.	1.1. -PLCs will log projects in PLC notes.	1.1. -Administrator and Leadership team review of projects logged and walk-throughs.	1.1. -Logging number of project-based learning activities in math and science per nine week period.
	1.2.	1.2.	1.2.	1.2.	1.2.
	1.3.	1.3.	1.3.	1.3.	1.3.

STEM Professional Development

Professional Development (PD) aligned with Strategies through Professional Learning Community (PLC) or PD Activity						
Please note that each Strategy does not require a professional development or PLC activity.						
PD Content /Topic and/or PLC Focus	Grade Level/Subject	PD Facilitator and/or PLC Leader	PD Participants (e.g. , PLC, subject, grade level, or school-wide)	Target Dates and Schedules (e.g. , Early Release) and Schedules (e.g., frequency of meetings)	Strategy for Follow-up/Monitoring	Person or Position Responsible for Monitoring
Project-based learning	K-5	Science and math contacts	All teachers	On-going	Administrator walk-throughs	Administration

End of STEM Goal(s)

NEW Career and Technical Education (CTE) Goal(s)

CTE Goal(s)	Problem-Solving Process to Increase Student Achievement				
	Anticipated Barrier	Strategy	Fidelity Check Who and how will the fidelity be monitored?	Strategy Data Check How will the evaluation tool data be used to determine the effectiveness of strategy?	Student Evaluation Tool
<p>Based on the analysis of school data, identify and define areas in need of improvement:</p> <p><u>CTE Goal #1:</u> Increase student interest in career opportunities and program selection prior to middle school. The school will increase the frequency of career exposure activities from two events in 2011-2012 to three events in 2012-2013.</p>	1.1.	1.1. -Implement special speakers to visit and share their career experiences with students throughout the year and during the Great American Teach-In. -Administer career surveys to the students to see interest areas of focus.	1.1 -Assistant Principal	1.1.	1.1. -Log of Great American Teach-In speakers - Data results for career surveys
	1.2.	1.2.	1.2.	1.2.	1.2.
	1.3.	1.3.	1.3.	1.3.	1.3.

CTE Professional Development

Professional Development (PD) aligned with Strategies through Professional Learning Community (PLC) or PD Activity						
Please note that each Strategy does not require a professional development or PLC activity.						
PD Content /Topic and/or PLC Focus	Grade Level/Subject	PD Facilitator and/or PLC Leader	PD Participants (e.g., PLC, subject, grade level, or school-wide)	Target Dates and Schedules (e.g., Early Release) and Schedules (e.g., frequency of meetings)	Strategy for Follow-up/Monitoring	Person or Position Responsible for Monitoring

End of CTE Goal(s)

Differentiated Accountability

School-level Differentiated Accountability (DA) Compliance

Please choose the school’s DA Status. (To activate the checkbox: 1. double click the desired box; 2.when the menu pops up, select “checked” under “Default Value” header; 3. Select “OK”, this will place an “x” in the box.)

School Differentiated Accountability Status		
<input type="checkbox"/> Priority	<input type="checkbox"/> Focus	x <input type="checkbox"/> Prevent

- Once the state has provided information, directions for how to upload the checklist will be posted on the School Improvement Icon.

School Advisory Council (SAC)

SAC Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting “Yes” or “No” below.

x Yes No

If No, describe the measures being taken to comply with SAC requirements.

Describe the use of SAC funds.			
Name and Number of Strategy from the School Improvement Plan	Description of Resources that improves student achievement or student engagement	Projected Amount	Final Amount
Reading Goal 1.1	Tutor during instructional hours – additional grades and students based on need as determined through data reviewed in PLCs and/or professional development for teachers. Purchase of Mimio interactive white board technology to increase student engagement.	\$629.00	
Math Goal 1.1	Tutor during instructional hours – additional grades and students based on need as determined through data reviewed in PLCs and/or professional development for teachers. Purchase of Mimio interactive white board technology to increase student engagement.	\$629.00	
Writing Goal 1.1	Tutor during instructional hours – additional grades and students based on need as determined through data reviewed in PLCs and/or professional development for teachers. Purchase of Mimio interactive white board technology to increase student engagement.		
Parent Involvement Goal 1.1	Supplies to support family night events (reading, writing, math, and science)	\$500.00	

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Final Amount Spent
