

Florida Department of Education

**DRAFT School Improvement Plan (SIP)
Form SIP-1**

Proposed for 2012-2013

2012-2013 School Improvement Plan (SIP)-Form SIP-1

2012-2013 SCHOOL IMPROVEMENT PLAN

PART I: CURRENT SCHOOL STATUS

School Information

School Name: Marco Island Academy Charter High School	District Name: Collier County
Principal: George Andreozzi	Superintendent: Kamela Patton
SAC Chair: Jane Watt	Date of School Board Approval:

Student Achievement Data and Reference Materials:

The following links will open in a separate browser window.

[School Grades Trend Data](#) (Use this data to complete Sections 1-4 of the reading and mathematics goals and Sections 1 and 2 of the writing and science goals.)

[Florida Comprehensive Assessment Test \(FCAT\)/Statewide Assessment Trend Data](#) (Use this data to inform the problem-solving process when writing goals.)

[High School Feedback Report](#)

[K-12 Comprehensive Research Based Reading Plan](#)

Administrators

List your school’s administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of School Grades, FCAT/statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/ statewide assessment Achievement Levels, learning gains, lowest 25%), and AMO progress, along with the associated school year)
Principal	George Andreozzi	BA, MS / ESE,Soc.Stud,Admin	1	39	C
Assistant Principal					

August 2012

Rule 6A-1.099811

Revised April 29, 2011

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Instructional Coaches

List your school’s instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of School Grades, FCAT/statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and ambitious but achievable annual measurable objective (AMO) progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Subject Area	Name	Degree(s)/ Certification(s)	Number of Years at Current School	Number of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/ Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
Reading	Joanne Urban	BA/MA Reading	1	30	

Effective and Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date
1. Advertise and Interview prospective teachers	Principal	Ongoing
2.		
3.		
4.		

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and who received less than an effective rating (instructional staff only).

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of instructional staff and paraprofessionals that are teaching out-of-field and who received less than an effective rating (instructional staff only).	Provide the strategies that are being implemented to support the staff in becoming highly effective
0	

Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Total number of Instructional Staff	% of first-year teachers	% of teachers with 1-5 years of experience	% of teachers with 6-14 years of experience	% of teachers with 15+ years of experience	% of teachers with Advanced Degrees	% of teachers with an Effective rating or higher	% of Reading Endorsed Teachers	% of National Board Certified Teachers	% of ESOL Endorsed Teachers
8	0	12%	35%	53%	75%	100%	25%	25%	12%

Teacher Mentoring Program/Plan

Please describe the school’s teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
George Andreozzi	Kelly Monnot	Experience of Mentor	Classroom observations, Meetings, Training

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team
Identify the school-based MTSS leadership team. Renee Maile, ESE,ESOL Teacher, Betsy Klemme, Guidance Counselor; Justin Feller, Gifted Coordinator; Amber Prange, AICE Coordinator
Describe how the school-based MTSS leadership team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts? <i>The RtI Team meets at least once per month, communicates with staff as needed, and monitors the integrity of intervention implementation and data collected. Through the leadership of the RtI Intervention Support Specialist, the RtI team works together with staff in identifying specific student challenges. Problem analysis is used as a first step towards implementation of an appropriate evidence-based intervention. The RtI team also identifies the person or person(s) responsible for implementation, including frequency and necessary data collection to assess the student's response to intervention. A review of the data occurs during implementation and throughout the process; readdressing interventions as needed to most appropriately serve the student. The school-based RtI Leadership Team supports school-wide efforts to positively impact behavior and academic achievement through the following: resources provided to teachers, individual classroom teachers' research data re: students who may need to leave Tier 1; and active participation in PLCs, student/parent conferences, and data collection. The RtI team works closely with staff who oversees the implementation of school-wide PBS effort known as P.R.O. (Prepared/Respectful</i>
Describe the role of the school-based MTSS leadership team in the development and implementation of the school improvement plan (SIP). Describe how the RtI problem-solving process is used in developing and implementing the SIP <i>The RtI team is collaborative and uses a systematic problem solving process with the goal of significant overall improvement occurring among students. School Improvement goals will include consideration of any discrepancy between what is expected and what is occurring as evidenced by student achievement data.</i>
MTSS Implementation

2012-2013 School Improvement Plan (SIP)-Form SIP-1

<p>Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior. Achievement tests, Assessments, Student Portfolios <i>Individual student data is gathered from the Collier County Public Schools Data Warehouse and other sources including progress monitoring assessments, PLC member discussions, and classroom assessments. This screening data helps determine the effectiveness of core instruction and student progress within the core. Mini-assessments based on focus lessons are administered bi-weekly. The student performance data is analyzed and appropriate instruction is designed. The response to intervention (RtI) model is incorporated in all core courses. In addition, more specific classroom interventions based on collected data are employed for students with specific academic needs. In some cases, supplemental and intensive instruction/interventions are implemented and documented. Mastery is set at 70% to ensure student proficiency of each language arts, reading, and math benchmark. Behavioral data sources including Student Pass and TERMS are also available when assessing students' core achievement. The "Student Snapshot" located in the District's Data Warehouse is utilized as a foundation for academic placement and teacher instruction.</i></p>
<p>Describe the plan to train staff on MTSS. Ongoing process of seminars, staff meetings. <i>The RtI training is ongoing. The Intervention Support Specialist will provide individual training as needed for teachers directly involved in the potential movement of a student from one Tier to another.</i></p>
<p><i>Describe the plan to support MTSS. Supported by Administration, Board of Directors and Parents</i></p>

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team
<p>Identify the school-based Literacy Leadership Team (LLT). Renee Maile, ESE, ESOL Teacher, Betsy Klemme, Guidance Counselor; Justin Feller, Gifted Coordinator; Amber Prange, AICE Coordinator</p>
<p>Describe how the school-based LLT functions (e.g., meeting processes and roles/functions). <i>The LLT will conduct a needs assessment and analysis of the school data for all students taking the FAA in order to make decisions on how to implement the delivery of instruction to target the unique needs of students. The LLT will focus its meetings around questions pertaining to the implementation of instruction and intervention strategies based on instructional targets in daily lesson and the student profile and checkpoint comparison. The team will meet on a monthly basis to monitor progress of all students scoring a Level 1, 2, and 3 on the FAA in the areas of math, reading, writing, or science, and, use the data from district and classroom assessments to determine mastery of access points for each student's level of academic functioning. The use of differentiated instructional delivery strategies will also be evident within the teacher's lesson plans, as well as, throughout professional learning. Based on all information gathered above, the LLT will determine the professional learning and resources needed to optimize instructional and intervention supports to improve instruction in the modified curricula classrooms</i></p>

2012-2013 School Improvement Plan (SIP)-Form SIP-1

What will be the major initiatives of the LLT this year? . Improved instruction in Reading through direct systematic instruction is our primary focus. . Additionally, using small group instruction to target specific needs is a major component of our Reading program. Our leadership team will assist in this process by monitoring lesson plans and analyzing benchmark data. The LLT will utilize classroom walkthrough data in order to make midcourse adjustments in instruction. This data will be also analyzed by the instructional coaches to drive coaching practices by modeling, planning, and professional learning communities.

Public School Choice

Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.

2012-2013 School Improvement Plan (SIP)-Form SIP-1

****Elementary Title I Schools Only: Pre-School Transition***

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

****Grades 6-12 Only*** Sec. 1003.413 (2)(b) F.S

For schools with grades 6-12, how does the school ensure that every teacher contributes to the reading improvement of every student?

Authentic and content specific literacy is the responsibility of all teachers. Although not every teacher is a reading teacher per se, all teachers are indeed comprehension teachers who convey information to their students via the written word. In the effort to support literacy across disciplines, all secondary content area teachers in Collier County Public Schools teach the literacy standards of the Common Core State Standards and utilize Collaborative Comprehension Strategies that guide students in pre-reading, comprehension monitoring, and summative question generating when encountering text. In addition, CCPS offers NGCAR-PD courses in order to build teachers' capacity to provide scaffolded literacy instruction to striving readers.

As a result of classroom walkthroughs and observations, the LLT will ensure teachers of students taking the Florida Alternate Assessment are utilizing general guidelines for literacy instruction: (1) recognizing the link between communication and literacy; (2) maintaining high expectations for students to acquire literacy; (3) making literacy materials and activities accessible; (4) following the interest of the child; and (5) engaging the student in direct and systematic instruction.

****High Schools Only***

Note: Required for High School-Sec. 1003.413(2)(g), (2)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

The LLT will become familiar with Florida's Access Points in Math, Science, and Reading/Language Arts. Access Course Content in the areas of Math and Reading will be incorporated into the Pre-Post Test and Monthly UNIQUE Benchmark Assessments in order to: (1) identify learning gains; (2) assist the IEP team in developing annual goals and objectives; (3) inform instructional planning; and (4) monitor student progress from year to year

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

High School Career Academies and CE program teachers encourage all students to complete or update the FACTS.org planning document each school year. Counselors are expected meet regularly with CE students and other interested students to review CE Program of Study for each career education program that is offered at the school. Programs of Study and articulation agreements are available on line on the District website, Career guidance academic counseling provides access for students (and parents, as appropriate) to information regarding career awareness and planning with respect to an individual's occupational and academic future. This counseling also provides information with respect to career options, financial aid, and postsecondary options including college, technical, and post secondary educational opportunities. Counselors are specifically encouraged to work with CE students in the implementation of the approved Program of Study, and familiarize students with articulations opportunities and other postsecondary programs that are related to high school career pathways. Many CE students and all seniors are encouraged to earn a Florida Ready to Work certificate at the highest level possible. Students are also encouraged to take the appropriate pre-assessments in applied reading, applied math, and locating information tests which are a

Revised April 29, 2011

2012-2013 School Improvement Plan (SIP)-Form SIP-1

component of the Florida Ready to Work program.

IEPs will incorporate the student's academic and career planning and guide course selection based on the needs, interests and strengths of the student. Intervention Support Specialists will assist teachers in using the [UNIQUE Transition Curriculum](#) and the [Attainment: Life Skills to Academics Lessons](#) for Math, Social Studies, Science/Health and Language Arts to aid students in understanding the connection among school, work, and their daily living skills.

Postsecondary Transition

Note: Required for High School- Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#).

High School Career Academies and CE program teachers encourage all students to complete or update the FACTS.org planning document each school year. Counselors are expected meet regularly with CE students and other interested students to review CE Program of Study for each career education program that is offered at the school. Programs of Study and articulation agreements are available on line on the District website, Career guidance academic counseling provides access for students (and parents, as appropriate) to information regarding career awareness and planning with respect to an individual's occupational and academic future. Differentiated Accountability

School-level Differentiated Accountability (DA) Compliance

Please choose the school's DA Status. (To activate the checkbox: 1. Double click the desired box; 2. When the menu pops up, select *Checked* under "Default value" header; 3. Select *OK*, this will place an "x" in the box.)

School Differentiated Accountability Status		
<input type="checkbox"/> Priority	X Focus	<input type="checkbox"/> Prevent

Are you reward school? Yes No

(A reward school is any school that has improved their letter grade from the previous year or any A graded school.)

- Upload a copy of the Differentiated Accountability Checklist in the designated upload link on the *Upload* page

School Advisory Council (SAC)

SAC Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting *Yes* or *No* below.

Yes No

If No, describe the measures being taken to comply with SAC requirements.
Describe the activities of the SAC for the upcoming school year.

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Each member of the School Advisory Council (SAC) is expected to be an active participant in regularly scheduled SAC meetings and other related activities (i.e. new student orientation, Open House, etc.). Although elected from a peer group, members are expected to strive for the common good of the school rather than narrow representation of the peer group. The SAC serves in an advisory capacity and shall assume none of the powers or duties now reserved by Florida Statutes for the School Board, the principal, or other administrative or instructional staff. In the event a conflict emerges between the SAC and the principal, the law which makes the SAC advisory to the principal will prevail. The duties of the SAC shall be as follows: 1) Assist in the development , implementation, monitoring and evaluation of the School Improvement Plan and the Annual Report of Educational Improvement; 2) Review the results of all needs assessments; 3) Prepare and distribute information to the public to report the status of implementing the School Improvement Plan, the performance of students and educational programs, and progression in accomplishing the school goals; 4) Serve as a resource for the principal; 5) Provide assistance as the principal may request in the preparation of the school budget (FS1008.385(1)). 6) Approve expenditures of school improvement funds; 7) Act as a liaison between the school and the community; 8) Consult with persons or departments for assistance regarding the school improvement process and other school related matters

Describe the projected use of SAC funds.		Amount
