Highly Qualified Instructional Coaches

List your school’s highly qualified instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Editor Note: No changes to this section.

| Subject Area | Name | Degree(s)/ Certification(s) | Number of Years at Current School | Number of Years as an Instructional Coach | Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year) |

Teacher Mentoring Program

| Mentor Name | Mentee Assigned | Rationale for Pairing | Planned Mentoring Activities |
|----------------|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Chamonix Grove | Jennifer Smiley | Mrs. Smiley's teaching assignment is 3 rd grade Language Arts. Mrs. Grove is an experienced K-5 reading coach. Ms. Fiallo is an experienced writing resource teacher, working primarily in 3 rd and 4 th grade. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |

2012-2013 School Improvement Plan (SIP)-Form SIP-1

| | | | |
|-----------------|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Jennifer Heinze | Kimberly E. Williams | Mrs. William's teaching assignment is 1st grade self-contained. Ms. Heinze is an experienced primary teacher and K-5 reading teacher. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |
| Erin Fiallo | Paulette Johns | Mrs. Johns' teaching assignment is 4 th grade, self-contained. Ms. Fiallo is an experienced 4 th grade teacher and writing resource teacher. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |

2012-2013 School Improvement Plan (SIP)-Form SIP-1

| | | | |
|-----------------|-----------------|---------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Jessica Willman | Tayler Holloway | Ms. Willman is Ms. Holloway mentor, assigned by the district. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |
| Jessica Willman | Julia Allen | Ms. Willman is Ms. Allen mentor, assigned by the district. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |

2012-2013 School Improvement Plan (SIP)-Form SIP-1

| | | | |
|-----------------|---------------|--------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Jessica Willman | Michelle Soto | Ms. Willman is Mrs. Soto's mentor, assigned by the district. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |
| Jessica Willman | Jacob Dunn | Ms. Willman is Mr. Dunn's mentor, assigned by the district. | Biweekly meetings to discuss progress, debriefing after professional development courses, modeled and coached lessons |

Additional Requirements

Coordination and Integration-Title I Schools Only

Title I, Part A

Services are provided to ensure students who need additional remediation are provided support through: after school and summer programs, quality teachers through professional development, content resource teachers, and mentors.

2012-2013 School Improvement Plan (SIP)-Form SIP-1

| |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Title I, Part C- Migrant</p> <p>The migrant advocate provides services and support to students and parents. The advocate works with teachers and other programs to ensure that the migrant students' needs are being met.</p> |
| <p>Title I, Part D</p> <p>The district receives funds to support the Alternative Education Program which provides transition services from alternative education to school of choice.</p> |
| <p>Title II</p> <p>The district receives funds for staff development to increase student achievement through teacher training. In addition, the funds are utilized in the Salary Differential Program at Renaissance schools.</p> |
| <p>Title III</p> <p>Services are provided through the district for education materials and ELL district support services to improve the education of immigrant and English Language Learners</p> |
| <p>Title X- Homeless</p> <p>The district receives funds to provide resources (social workers and tutoring) for students for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education.</p> |
| <p>Supplemental Academic Instruction (SAI)</p> <p>SAI funds will be coordinated with Title I funds to provide summer school, reading coaches, and extended learning opportunity programs.</p> |
| <p>Violence Prevention Programs</p> <p>NA</p> |
| <p>Nutrition Programs</p> <p>NA</p> |

MTSS/Response to Instruction/Intervention (RtI)

School-Based MTSS/RtI Team

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Identify the school-based MTSS Leadership Team.

The leadership team includes:

- Principal
- Assistant Principal
- Guidance Counselor
- School Psychologist
- Social Worker
- Academic Coaches (Reading, Math, etc. and other specialists on an ad hoc basis)
- Behavior Specialist
- Representatives from the PLCs for each grade level, K-5
- SAC Chair
- ELL Representative

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The Leadership team meets regularly (weekly). Specific responsibilities include:

- Oversee the multi-layered model of instructional delivery (Tier 1/Core, Tier 2/Supplemental and Tier 3/Intensive)
- Create, manage and update the school resource map
- Ensure the master schedule incorporates allocated time for intervention support at all grade levels.
- Determine scheduling needs, and assist teacher teams in identifying research-based instructional materials and intervention resources at Tiers 2/3
- Facilitate the implementation of specific programs (e.g., Extended Learning Programs during and after school; Saturday Academies) that provide intervention support to students identified through data sorts/charts conducted by the PLCs.
- Determine the school-wide professional development needs of faculty and staff and arrange trainings aligned with the SIP goals
- Organize and support systematic data collection (e.g., district and state assessments; during-the-grading period school assessments/checks for understanding; in-school surveys)
- Assist and monitor teacher use of SMART goals per unit of instruction. (data will be collected and analyzed by PLCs and reported to the Leadership Team/PSLT)
- Strengthen the Tier 1 (core curriculum) instruction through the:
 - Implementation and support of PLCs
 - Review of teacher/PLC core curriculum assessments/chapters tests/checks for understanding (data will be collected and analyzed by PLCs and reported to the Leadership Team/PSLT)
 - Use of Common Core Assessments by teachers teaching the same grade/subject area/course (data will be collected and analyzed by PLCs and reported to the Leadership Team/PSLT)
 - Implementation of research-based scientifically validated instructional strategies and/or interventions. (as outlined in our SIP)
 - Communication with major stakeholders (e.g., parents, business partners, etc.) regarding student outcomes through data summaries and conferences.
- On a monthly basis, assist in the evaluation of teacher fidelity data and student achievement data collected during the month.
- Support the planning, implementing, and evaluating the outcomes of supplemental and intensive interventions in conjunction with PLCs and Specialty PSLT.

2012-2013 School Improvement Plan (SIP)-Form SIP-1

- Work collaboratively with the PLCs in the implementation of the C-CIM (Core Continuous Improvement Model) on core curriculum material.
- Coordinate/collaborate/integrate with other working committees, such as the Literacy Leadership Team (which is charged with developing a plan for embedding/integrating reading and writing strategies across all other content areas).

2012-2013 School Improvement Plan (SIP)-Form SIP-1

- The Chair of SAC is a member of the Leadership Team/PSLT.
- The administration, leadership team, teachers and SAC are involved in the School Improvement Plan development and monitoring throughout the school year.
- The School Improvement Plan is the working document that guides the work of the Leadership Team and all teacher teams. The large part of the work of the team is outlined in the Expected Improvements/Problem Solving Process sections (and related professional development plans) for school-wide goals in Reading, Math, Writing, Science, Attendance and Suspension/Behavior.
- Given that one of the main tasks is to monitor student data related to instruction and interventions, the Leadership Team/PLST monitors the effectiveness of instruction and intervention by reviewing student data as well as data related to implementation fidelity (teacher walk-through data).
- The Leadership Team/PSLT communicates with and supports the PLCs in implementing the proposed strategies by distributing Leadership Team members across the PLCs to facilitate planning and implementation. Once strategies are put in place, the Leadership Team members who are part of the PLCs regularly report on their efforts and student outcomes to the larger Leadership Team/PSLT.
- The Leadership Team/PSLT and PLCs both use the problem solving process (Problem Identification, Problem Analysis, Intervention Design and Implementation and Evaluation to:
 - Use the problem-solving model when analyzing data:
 1. What is the problem? (Problem Identification)
 2. Why is it occurring? (Problem Analysis and Barrier Identification)
 3. What are we going to do about it? (Action Plan Design and Implementation)
 4. Is it working? (Monitor Progress and Evaluate Action Plan Effectiveness)
 - Identify the problem (based on an analysis of the data disaggregated via data sorts) in multiple areas – curriculum content, behavior, and attendance
 - Develop and test hypotheses about why student/school problems are occurring (changeable barriers).
 - Develop and target interventions based on confirmed hypotheses.
 - Identify appropriate progress monitoring assessments to be administered at regular intervals matched to the intensity of the level of instructional/intervention support provided.
 - Develop grading period or units of instruction//intervention goals that are ambitious, time-bound, and measureable (e.g., SMART goals).
 - Review progress monitoring data at regular intervals to determine when student(s) need more or less support (e.g., frequency, duration, intensity) to meet

2012-2013 School Improvement Plan (SIP)-Form SIP-1

established class, grade, and/or school goals (e.g., use of data-based decision-making to fade, maintain, modify or intensify intervention and/or enrichment support).

- Each PLC develops PLC action plan for SIP strategy implementation and monitoring.
- Assess the implementation of the strategies on the SIP using the following questions:
 1. Does the data show implementation of strategies are resulting in positive student growth?
 2. To what extent are we making progress toward the school's SIP goals?
 3. If we are making progress, what can we do to sustain what is working?
 4. What barriers to implementation are we facing and how will we address them?
 5. What should we do next? What should be our plan of action?

MTSS Implementation

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Describe the plan to train staff on MTSS.

The Leadership Team/will continue to work to build consensus with all stakeholders regarding a need for and a focus on school improvement efforts. The Leadership Team will work to align the efforts of other school teams that may be addressing similar identified issues.

As the District's RtI Committee/RtI Facilitators develop(s) resources and staff development trainings on PS/RtI, these tools and staff development sessions will be conducted with staff when they become available. Professional Development sessions, as identified by teacher needs assessment and/or EET evaluation data, will occur during faculty meeting times or rolling faculty meetings. The Leadership Team will send school team representatives to ongoing PS/RtI trainings/support sessions that are offered district-wide. Our school will invite our area RtI Facilitator to visit quarterly (or as needed) to review our progress in implementation of PS/RtI and provide on-site coaching and support to our Leadership Teams/PLCs. New staff will be directed to participate in trainings relevant to PLCs and PS/RtI as they become available.

Describe plan to support MTSS.

Response to Intervention (RtI) has also been described in Florida as a multi-tiered system of supports (MTSS) for providing high quality instruction and intervention matched to student needs using learning rate over time and level of performance to inform instructional decisions. In order to support MTSS in our schools, we will:

- Consistently promote the shared vision of one system meeting the needs of ALL students with MTSS as the platform for integrating all school initiatives (i.e., PLC, PSLT, and SAC meetings, lesson study, school-wide behavior management plans).
- Provide designated school personnel with the requisite knowledge and experience to support coordination and implementation of MTSS.
- Provide continued training and support to all school based personnel in problem solving, responding to student data and the use of a systematic method to increase student achievement.

Literacy Leadership Team (LLT)

School-Based Literacy Leadership Team

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Identify the school-based Literacy Leadership Team (LLT).

The *Literacy* Leadership Team serves as the school's literacy Professional Learning Community. The team is comprised of:

- Principal
- Assistant Principal for Curriculum
- Reading Coach
- Reading & Writing Resource Teachers
- Reading Teachers
- Media Specialist
- Teachers across content areas (Language Arts, Math, Science, Social Studies and Electives) who have demonstrated effective reading instruction as reflected through positive student reading gains

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

The LLT is a subset of the Problem Solving Leadership Team. The team provides leadership for the implementation of the reading *goals and strategies identified* on the SIP.

The principal is the LLT chairperson. The reading coach is a member of the team and provides extensive expertise in data analysis and reading interventions. The reading coach and principal collaborate with the team to ensure that data driven instructional support is provided to all teachers.

The principal also ensures that the LLT monitors reading data, identifies school-wide and individual teachers' reading-focused instructional strengths and weaknesses, and creates a professional development plan to support identified instructional needs in conjunction with the Problem Solving Leadership team's support plan. Additionally the principal ensures that time is provided for the LLT to collaborate and share information with all site stakeholders including other administrators, teachers, staff members, parents and students.

2012-2013 School Improvement Plan (SIP)-Form SIP-1

What will be the major initiatives of the LLT this year?

- Implementation and evaluation of the SIP reading goals/strategies across the content areas
- Professional Development
- Co-planning, modeling and observation of research-based reading strategies within lessons across the content areas
- Data analysis (on-going)
- Implementation of the K-12 Reading Plan

NCLB Public School Choice

- **Supplemental Educational Services (SES) Notification**

***Elementary Title I Schools Only: Pre-School Transition**

In Hillsborough County Public schools, all kindergarten children are assessed for Kindergarten Readiness using the FLKRS (Florida Kindergarten Readiness Screener.) This state-selected assessment contains a subset of the Early Childhood Observation System and the first *two* measures of the Florida Assessments in Reading (FAIR). The instruments used in the screening are based upon the Florida Voluntary Prekindergarten (VPK) Education Standards. *Parents are provided with a letter from the Commissioner of Education, explaining the assessments.* Teachers will meet with parents after the assessments have been completed to review student performance. Data from the FAIR will be used to assist teachers in creating homogeneous groupings for small group reading instruction. Children entering Kindergarten may have benefited from the Hillsborough County Public Schools' Voluntary Prekindergarten Program. This program is offered at elementary schools in the summer and during the school year in selected Head Start classrooms *and as a blended program in several Early Exceptional Learning Program (EELP) classrooms.* *Starting in the 2012-2013 school year, students in the VPK program will be given the state-created VPK Assessment that looks at Print Knowledge, Phonological Awareness, Mathematics and Oral Language/Vocabulary.* This assessment *will be* administered at the start and end of the VPK program. A copy of these assessments *will be* mailed to the school in which the child will be registered for kindergarten, enabling the child's teacher to have a better understanding of the child's abilities *from the first day of school.* Parent Involvement events for Transitioning Children into Kindergarten include Kindergarten RoundUp. This event provides parents with an opportunity to meet the teachers and hear about the academic program. Parents are encouraged to complete the school registration procedure at this time to ensure that the child is able to start school on time.

| <p>1. FCAT 2.0: Students scoring proficient/satisfactory performance in mathematics (Level 3-5).</p> | <p>PLCs struggle with how to structure curriculum and data analysis discussion to deepen their learning. To address this barrier, this year PLCs are being trained to use the Plan-Do-Check-Act "Instructional Unit" log.</p> | <p>Strategy Students' math achievement improves through teachers working collaboratively to focus on student learning. Specifically, they use the Plan-Do-Check-Act model and log to structure their way of work. Using the backwards design model for units of instruction, teachers focus on the following four questions:</p> <ol style="list-style-type: none"> 1. What is it we expect them to learn? 2. How will we know if they have learned it? | <p>Who</p> <ul style="list-style-type: none"> -Principal -AP - Reading Coach -Resource Teachers -PLC & Team facilitators <p>How</p> <ul style="list-style-type: none"> -PLCS turn their logs into administration and/or coach after a unit of instruction is complete. -PLCs receive feedback on their logs. -Administrators and Math Resource teacher attend targeted PLC meetings -Progress of PLCs discussed at Leadership Team -Administration shares the data of PLC visits with staff on a monthly basis. | <p>Teachers meet with Leadership team monthly during Data Chats & Academic Reviews to discuss SMART goal outcomes.</p> <p>Teachers meet weekly with administration to collaborate. Teachers discuss grade level/subject area curriculum planning, reflection and data analysis</p> | <p>2x per year</p> <p>District Baseline and Mid-Year Testing</p> <p>During the Grading Period</p> <p>Common assessments</p> | | |

|-------------------------------------------|-------------------------|--------------------------------------------|---------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|-----------------------------------|-----------------------------------------------|

End of CTE Goal(s)

Differentiated Accountability

School-level Differentiated Accountability (DA) Compliance

Please choose the school’s DA Status. (To activate the checkbox: 1. double click the desired box; 2.when the menu pops up, select “checked” under “Default Value” header; 3. Select “OK”, this will place an “x” in the box.)

| School Differentiated Accountability Status | | |
|---------------------------------------------|-------|---------|
| <input type="checkbox"/> Priority | Focus | Prevent |

- **Once the state has provided information, directions for how to upload the checklist will be posted on the School Improvement Icon.**

School Advisory Council (SAC)

SAC Membership Compliance

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting “Yes” or “No” below.

Hillsborough 2012

Rule 6A-1.099811

Revised October 4, 2012

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Yes No

| |
|---------------------------------------------------------------------------|
| If No, describe the measures being taken to comply with SAC requirements. |
|---------------------------------------------------------------------------|

| Describe the use of SAC funds. | | | |
|--------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|--------------|
| Name and Number of Strategy from the School Improvement Plan | Description of Resources that improves student achievement or student engagement | Projected Amount | Final Amount |
| Attendance Goal 1.1 | <u>Teacher Mini-Grants Approved by SAC:</u> Spanish Rosetta Stone Level 1-5. Because of the large number of Spanish speaking families that we have, this product will help the office and Guidance staff to communicate with families in hopes of aiding with difficulties that normally hurt our attendance rates. | \$399.00 | |
| Reading Goal 4.1 | <u>Teacher Mini-Grants Approved by SAC:</u> Scholastic Scope magazine subscription for 30 students (class set). This subscription will help our bottom quartile students improve their fluency through the class activities. The concepts in these magazines align with SpringBoard and three teachers' students will benefit from them. | \$288.75 | |
| Mathematics Goal 3.1 | <u>Teacher Mini-Grants Approved by SAC:</u> White boards, dry-erase markers, and erasers for Ms. C's math class. These are used for quickly assessing student performance during instruction. Immediate feedback is provided to the teacher so the children can be redirected. | \$200.73 | |
| Science Goal 1.1 | <u>Teacher Mini-Grants Approved by SAC:</u> 6 th grade VersaTile Science Lab. The contents in these kits will help with DI, CCIM, Maximizing Mondays, and the data obtained from the lessons will be discussed in the Science PLCs. | \$280.00 | |
