School-Based MTSS/Rtl Team

April 2012

Rule 6A-1.099811

Revised April 29, 2011

Identify the school-based MTSS Leadership Team.

Katrina McCray- Principal: Provides a common vision for the use of data-based decision-making, ensures that the school-based team is implementing RtI, conducts assessment of RtI skills of school staff, ensures implementation of intervention support and documentation, ensures adequate professional development to support RtI implementation, and communicates with parents regarding school-based RtI plans and activities.

Virginia Hays - Assistant Principal and RTI Lead: Grade retention, curriculum, and standards-based administrator. Provides information about core instruction, participates in student data collection, delivers Tier 1 instruction/intervention, collaborates with other staff to implement Tier 2 interventions, and integrates Tier 1 materials/instruction with Tier 2/3 activities.

Kristin Archon – Assistant Principal: Safe and Civil Schools and Attendance administrator. Monitors and provides interventions based on attendance and behavior referrals data.

Adrienne Wakefield: - Guidance Counselor: Identifies systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered “at risk;” assists in the design and implementation for progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

Anne Kilby – ESE Lead Teacher Monitors, develops, and interprets fidelity of Individual Education Plans. Participates in collection, interpretation, and analysis of data; facilitates development of intervention plans; provides support for intervention fidelity and documentation; provides professional development and technical assistance for ENCORE IEP program.

April 2012

Rule 6A-1.099811

Revised April 29, 2011

Christopher Koek – Rtl Assessment Facilitator: Develop and implement assessment protocols for standardized, benchmark, and FAIR assessments. Analyze assessment outcomes and collaborate with Rtl Administrator to develop and implement interventions. Provides professional development to faculty on the utilization of internet-based Progress Monitoring Assessments. Collaborates with Rtl administrator to develop and implement the PLC Progress Monitoring Plan.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The Response to Intervention program will be coordinated and integrated by an Rtl school-based coordinator. The Rtl coordinator will be charged with developing a team of school-based leaders who will identify what interventions will be placed in the appropriate location of Rtl Pyramid. The Rtl team will utilize assessment data to identify student's needs and prescribe the tiered interventions. The Rtl coordinator will meet regularly with subject/grade area departments/teams. They will insure the interventions are being documented and to provide needed assistance to teachers for non-responsive students.

April 2012

Rule 6A-1.099811

Revised April 29, 2011

2012-2013 School Improvement Plan (SIP)-Form SIP-1

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The team will assist in the development of the current school improvement plan by evaluating best practices from the previous year's RtI successes with students and replicating those strategies with teacher/student/parent intervention plans. The RtI Leadership Team will regularly meet with the School Advisory Council (SAC) and principal to develop and modify the SIP. The team will monitor the current SIP to track progress on meeting the goals of the plan. The team will also collaborate regularly, problem solve, share effective practices, evaluate implementation, make decisions, and practice new processes and skills. The team will also facilitate the process of building consensus, increasing infrastructure, and making decisions about implementation.

- Florida Comprehensive Assessment Test (FCAT)
 - Schedule students into cohorts targeting areas of academic strengths and weaknesses
- Pearson/Inform Database will be the primary data source used monitor student progress.
 - Instructors/Teams will identify targeted students during Quarterly Status Report meeting
 - Develop Tier 2 and Tier 3 Interventions for targeted students
- Math, Science, Writing, and Reading Benchmark assessment results
 - Students graph progress and set achievement goals
 - Analyze standards for strong and weak student performance.
 - Develop targeted instruction and formative assessments for growth monitoring
- Daily Shark Shout/Discipline Deal Out discipline data report.
- Florida Assessments for Instruction in Reading (FAIR)
 - Students graph progress and set achievement goals
 - Provide parents/guardians with results and learning goals
- Frequency of Data Days: mid and end quarterly data analysis review of teacher-made formatives and Exit Slips.
