### **Highly Effective Administrators**

April 2012

Rule 6A-1.099811

Revised April 29, 2011

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

List your school's highly effective administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and Ambitious but Achievable Annual Measurable Objective (AMO) progress.

| Position            | Name            | Degree(s)/ Certification(s)   | Number of Years at Current School | Number of Years as an Administrator | Prior Performance Record (include prior School Grades, FCAT/ Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)                            |
|---------------------|-----------------|---|-----------------------------------|-------------------------------------|---|
| Principal           | DeeEtte Naukana | Educational Leadership (all levels), K-12 Varying Exceptionalities, K-12 Physical Education, K-12 Health, Business Education 6-12, Middle Grades Integrated 5-9 | 2                                 | 8                                   | Ms. Naukana has experience as a Charter School Assistant Principal and Principal in Palm Beach, Broward and Escambia Counties. She has been involved in the creation of two ESE charter schools in Palm Beach County. |
| Assistant Principal | Hugo Linares    | ESE K-12, MGIC(5-9), Social Science 6-12 and Spanish  | 1                                 | First Year                          | Mr. Linares is currently pursuing a Masters in Educational Leadership at Nova Southeastern University with an anticipated graduation date of May 2013.  |

## Highly Effective Instructional Coaches

List your school's highly effective instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide Assessment performance (Percentage data for Achievement Levels, Learning Gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

| Subject Area | Name | Degree(s)/ Certification(s) | Number of Years at Current School | Number of Years as an Instructional Coach | Prior Performance Record (include prior School Grades, FCAT/ Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year) |
|--------------|------|-----------------------------|-----------------------------------|---|--|
|              |      |                             |                                   |   |  |
|              |      |                             |                                   |   |  |
|              |      |                             |                                   |   |  |

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

### Highly Effective Teachers

Describe the school-based strategies that will be used to recruit and retain high quality, highly effective teachers to the school.

| Description of Strategy   | Person Responsible          | Projected Completion Date | Not Applicable<br>(If not, please explain why) |
|---|-----------------------------|---------------------------|--|
| 1. Provide Professional Development-Staff will be provided the opportunity to participate in relevant professional development                                  | DeeEtte Naukana             | 06/2013                   |  |
| 2. Professional Learning Communities will be implemented by core subject areas  | Administration/Lead Teacher | 06/2013                   |  |
| 3. Leadership Opportunities-Staff will be provided the opportunity to participate in school leadership through participation in school and district committees. | DeeEtte Naukana             | 06/2013                   |  |
| 4. Grade/Team Level meetings  | Administration              | On-going                  |  |

### *Non-Highly Effective Instructors*

List all instructional staff and paraprofessionals who are teaching out-of-field and/or who are NOT highly effective.

| Name                | Certification | Teaching Assignment    | Professional Development/Support to Become Highly Effective  |
|---------------------|---------------|------------------------|--|
| Juan Amaro Sr.      | Temporary     | Math 9-12              | Prep time to complete requirements for Professional Certificate. Ongoing district and school based workshops and trainings will be offered throughout the school year. |
| Juan Amaro Jr.      | Temporary     | Math 9-12              | Prep time to complete requirements for Professional Certificate. Ongoing district and school based workshops and trainings will be offered throughout the school year. |
| Charles Dougherty   | Temporary     | Math 9-12<br>Chemistry | Prep time to complete requirements for Professional Certificate. Ongoing district and school based workshops and trainings will be offered throughout the school year. |
| Trudi Adams-Wiggins | Temporary     | English 9-12           | Prep time to complete requirements for Professional Certificate. Ongoing district and school based workshops and trainings will be offered throughout the school year. |
|                     |               |                        | Prep time to complete requirements for Professional Certificate. Ongoing district and school based workshops and trainings will be offered throughout the school year. |

|--|--|--|--|

***Staff Demographics***

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

| Total Number of Instructional Staff | % of First-Year Teachers | % of Teachers with 1-5 Years of Experience | % of Teachers with 6-14 Years of Experience | % of Teachers with 15+ Years of Experience | % of Teachers with Advanced Degrees | % Highly Effective Teachers | % Reading Endorsed Teachers | % National Board Certified Teachers | % ESOL Endorsed Teachers |
|-------------------------------------|--------------------------|--|---|--|-------------------------------------|-----------------------------|-----------------------------|-------------------------------------|--------------------------|
| 11                                  | 0%                       | 36% (4)                                    | 36% (4)                                     | 36% (4)                                    | 45% (5)                             | 64% (7)                     | 18% (2)                     | 0                                   | 27% (3)                  |

***Teacher Mentoring Program***

Please describe the school’s teacher mentoring program by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

| Mentor Name     | Mentee Assigned | Rationale for Pairing         | Planned Mentoring Activities  |
|-----------------|-----------------|-------------------------------|---|
| DeeEtte Naukana | Juan Amaro Sr.  | Holds a Temporary Certificate | Model lessons, attend professional development enhance use of technology, shadow, team teach, incorporate math, language arts and science through projects and writing assignments. |
| DeeEtte Naukana | Juan Amaro Jr.  | Holds a Temporary Certificate | Model lessons, attend professional development enhance use of technology, shadow, team teach, incorporate math, language arts and science through projects and writing assignments  |

**2012-2013 School Improvement Plan (SIP)-Form SIP-1**

|                 |                     |                               |  |
|-----------------|---------------------|-------------------------------|--|
| DeeEtte Naukana | Charles Dougherty   | Holds a Temporary Certificate | Model lessons, attend professional development enhance use of technology, shadow, team teach, incorporate math, language arts and science through projects and writing assignments |
| DeeEtte Naukana | Trudi Adams-Wiggins | Holds a Temporary Certificate | Model lessons, attend professional development enhance use of technology, shadow, team teach, incorporate math, language arts and science through projects and writing assignments |

**Additional Requirements**

***Coordination and Integration-Title I Schools Only***

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

|  |
|--|
| Title I, Part A<br>Funds are budgeted to support professional development initiatives, provide resources for family involvement and training initiatives, and for student supplies in intensive math and reading classrooms and weekend tutorials. |
| Title I, Part C- Migrant   |
| Title I, Part D  |
| Title II   |
| Title III  |
| Title X- Homeless<br>Student Intervention Services will partner with the school. Such agencies may include homeless shelters, religious entities, social service agencies.   |
| Supplemental Academic Instruction (SAI)  |
| Violence Prevention Programs   |

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

|  |
|--|
| Nutrition Programs   |
| Housing Programs   |
| Head Start   |
| Adult Education<br>Work with adult education department to provide services for students who age out or at risk of not graduating.   |
| Career and Technical Education<br>The family coordinator and guidance counselor have established working relationships and partnerships with a number of businesses within a ten mile radius of the school. Additionally, a job and career fair is held at the school and participants are from the surrounding community. |
| Job Training   |
| Other  |

### *Multi-Tiered System of Supports (MTSS) /Response to Instruction/Intervention (RtI)*

#### School-Based MTSS/RtI Team

##### **Identify the school-based MTSS/ RtI Leadership Team.**

**Principal:** DeeEtte Naukana  
**Dean of Students:** Hugo Linares  
**Guidance Counselor:** Rebecca Ransier  
**ESE/ESOL Coordinator:** Melani Timmis

**Reading Teacher:** Alice Boyhan  
**Language Arts:** Teacher Edith Wild  
**Math Teacher:** Charles Dougherty  
**Family Coordinator:** Marla Green

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

### **Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?**

**Principal:** Provides a common vision for the use of data-based decision making; ensures that the school-based team is implementing RtI; conducts assessment of RtI skills of school staff; ensures implementation of intervention support and documentation; ensures adequate professional development to support RtI implementation; and communicates with parents regarding school-based RtI plans and activities.

**Reading Teacher:** Develops, leads, and evaluates school core content standards/programs; identifies and analyzes existing literature on scientifically-based curriculum/behavior assessment and intervention approaches. Identifies systematic patterns of student needs, while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered “at risk;” assists in the design and implementation for progress monitoring, data collection, data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

The school-based RtI team will meet twice a month to discuss and focus on student data that has been collected from the school’s SIS, enrollment assessments and academic assessments, all of which are available in real time, in the moment. With data available, the team will determine which students are at or above meeting the benchmarks and those who are below or at-risk of not meeting the benchmarks.

Determination of professional development, decision making and implementation of best practices and new skills will also result from the work of the RtI school-based team. The RtI Leadership Team will work with the administration, EESAC and Governance Board to develop and implement the School Improvement Plan (SIP) in the development of instructional strategies designed to improve student achievement in reading, mathematics, science, social studies and writing.

The school will work with other schools to identify student’s past performance and academic deficiencies by meeting with them through RtI meetings, held monthly. Communication will also take place through telephone interview with the home school of the students.

### **Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?**

The RtI Leadership Team will work with the Administration, Management Company, School Advisory Council (SAC), and Governance Board to develop and implement the SIP through the implementation of instructional strategies designed to impact student achievement. The RtI team will use the continuous improvement model to identify best practices and interventions for addressing the academic deficiencies of our students. Although certain intervention strategies have been identified in the SIP plan for addressing these deficiencies, the RtI process is a continuously changing process, which will evolve as the Leadership Team identifies the needs of our students. The correlation between the RtI process and the SIP plan is brought together through the identification of students needing different levels of intervention, as identified through FAIR data, District Baseline and Interim Assessment data, FCAT and SAT/ ACT data. The RtI Leadership Team, the School Advisory Council (SAC), and the Principal will meet to develop the SIP.

The RtI Leadership Team will provide data on: Tier 1, 2 and 3 targets; academic and social/emotional areas that needed to be addressed. The RtI Leadership Team also set clear expectations for instruction.

### **MTSS Implementation**

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

**Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, social studies, writing, and behavior.**

Academics:

Baseline and quarterly data for reading and mathematics from NWEA; District Baseline and Interim Assessments for reading, mathematics and science through Educational Data Warehouse (EDW); CELLA testing for all ELL students; FCAT scores from 2011-2012; FAIR Assessment data (both baseline and interim); use of the state PMP; EOC Algebra I, Geometry and Biology; PERT

Behavior:

Individualized Student mentoring system; Detention tracking system; Suspension/Expulsions, Attendance records, In- house student climate survey

**Describe the plan to train staff on MTSS.**

The RtI school-based team will partner with the District and attend District-sponsored workshops and training. In addition, the school will use the “Train the Trainer” program from the District. After the reading teacher is trained, then he/she will train the rest of the staff on strategies used to improve student achievement and the identification of students needing further intensive educational strategies. Staff will be trained using Professional Learning Communities once per month.

**Describe plan to support MTSS.**

### *Literacy Leadership Team (LLT)*

#### **School-Based Literacy Leadership Team**

**Identify the school-based Literacy Leadership Team (LLT).**

DeeEtte Naukana-Principal  
Alice Boyhan, Reading Teacher

Hugo Linares, Dean of Students  
Juan Amaro, Jr. Math Teacher

Dr. Trudi Adams-Wiggan, – Language Arts Teacher  
Melani Timmis– ESE Coordinator

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

### **Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).**

The principal selects team members for the Literacy Leadership Team (LLT) based on a cross-section of the faculty and administrative team that represents highly-qualified professionals who are interested in serving to improve literacy instruction across the curriculum. The principal will cultivate the vision for increased school-wide literacy across all content-areas by being an active participant in all LLT meetings and activities.

The principal will direct the reading teacher to participate in all District and State-driven professional development activities. The reading teacher must be a member of the LLT. The team will meet monthly throughout the school year. The LLT may choose to meet more often. Additionally, the principal may expand the LLT by encouraging personnel from various sources such as District and Regional support staff to join. Monthly meetings will take place for the purpose of analyzing student progress toward the acquisition of standards and benchmarks inherent in acquiring academic proficiency.

The LLT will also discuss strategies and interventions which will be implemented by the classroom teacher for the purpose of strengthening student progress in identified weak areas for literacy skills. The principal will serve as the lead person during these meetings and will be guided by the data which will be a living document containing both current and previous data reflecting student literacy achievement levels.

### **What will be the major initiatives of the LLT this year?**

The major goal of the LLT will be to improve students individual learning gains in reading and develop lifelong literacy skills through the implementation of the Direct Instruction Model. Additionally, the LLT will develop small group direct instruction with the implementation of novel studies as well as various passages covering different genres.

### ***Public School Choice***

- **Supplemental Educational Services (SES) Notification**

*Upload a copy of the SES Notification to Parents in the designated upload link on the "Upload" page.*

### ***\*Elementary Title I Schools Only: Pre-School Transition***

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

### ***\*Grades 6-12 Only*** Sec. 1003.413 (b) F.S

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

All computer-based curriculums include literacy strategies in all content areas. For non-mastery students, literacy strategies will be used in small-group instruction and differentiated instructional strategies will be utilized based on individual student weaknesses. All teachers will teach and monitor the use of effective reading strategies. Teachers will refer to the Palm Beach County Schools District Pacing Guide for Reading, Mathematics and Science as a guide to ensure compliance with District standards. All instructional staff are required to complete the necessary professional development to gain Reading Endorsement.

April 2012

Rule 6A-1.099811

Revised April 29, 2011

## 2012-2013 School Improvement Plan (SIP)-Form SIP-1

### *\*High Schools Only*

Note: Required for High School-Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

Students who enroll in the school will work with the Career Coordinator and teacher/mentor to determine interest and aptitude for post-secondary plans. As well, students will complete the Florida Choices Career Program to determine possible careers related to their interests. While some students will pursue vocational programs, others will seek employment or enroll in a two or four-year college. Career development is required of each student enrolled. Coursework is designed to prepare students to meet Florida's Next Generation Sunshine State Standards and earn a high school diploma. The four areas of focus of the school include academic success, work study skills development, social/emotional well-being and self-sufficiency skills. Students who succeed in each of the four areas of focus will be better prepared for post-secondary plans.

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

With the use of our Career Coordinator and mentors, students are guided through discussion to determine and align coursework to obtain students' career goals. The Career Coordinator will monitor student employment in accordance with the policies and procedures of Palm Beach County School District. As well, every student completes a Graduation Plan with the guidance of the Family Coordinator and the Guidance Counselor.

### *Post-secondary Transition*

Note: Required for High School- Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#).

The Graduation Committee regularly meets with potential graduates to review student progress toward graduation. All students entering Mavericks will receive a Graduation Plan with an expected graduation date. They will be issued a "Passport to Graduation" which outlines all classes they have completed as well as gives them a picture of what they must complete within a timeline to graduate. Students will have the opportunity to participate in multiple College Fairs to determine educational and financial opportunities for pursuing post-secondary educational plans. In discussing necessary steps of process to become college ready, the counselor will discuss the importance of participating in PSAT, SAT and ACT testing as an entrance requirement of post-secondary education. Additional assistance with post-secondary planning include the development of tutoring for the college entrance exam (SAT/ACT Prep Class), determining qualifications for taking honors/dual enrollment courses, career training, assisting them with their college/ career application, financial aid, college seminars, and calling colleges on their behalf. In the 2011-2012 school year, 64% of seniors graduated at Mavericks High School. The balance continues to strive to complete required credits and pass required exams. This year, the goal is to graduate 100% of the seniors.

## **PART II: EXPECTED IMPROVEMENTS**

### **Reading Goals**

\* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

- *Upload a copy of the Differentiated Accountability Checklist in the designated upload link on the “Upload” page*

**School Advisory Council (SAC)**

*SAC Membership Compliance*

The majority of the SAC members are not employed by the school district. The SAC is composed of the principal and an appropriately balanced number of teachers, education support employees, students (for middle and high school only), parents, and other business and community members who are representative of the ethnic, racial, and economic community served by the school. Please verify the statement above by selecting “Yes” or “No” below.

**April 2012**

**Rule 6A-1.099811**

**Revised April 29, 2011**

**2012-2013 School Improvement Plan (SIP)-Form SIP-1**

Yes       No

|  |
|--|
| If No, describe the measures being taken to comply with SAC requirements.  |
|  |
| Describe the activities of the SAC for the upcoming school year.   |
| The EESAC will meet monthly to discuss, evaluate, and change processes or procedures that will continuously improve the overall performance of the students, staff or school climate. The School Improvement Plan strategies and assessment data will be reviewed, analyzed, and updated on an ongoing basis throughout the year |
